

and then went to Mrs. Welsch's where we took supper and where I spent the night. We drove about all the week until ~~on~~ Thursday eve. Eating meals out and spending some nights away. Friday, we attended the reception at Mr. Engleman's given to his son & wife who were just recently married. He has been teaching in a Military School at Sweet Brier, Tenn. for 3 yrs. Monday evening Rev. A. B. Oehnschain, of 514 13th St. College Point, N.Y. and his wife arrived. He is a son of the Rev. D. Herl. Hot and dry weather. Could do nothing definite for school.

Lexington - Mt. Sidney Va.

Saturday June 17, Young Rev. Oehnschain took me into Lexington, took me through the V.M.I. grounds and through Wash. & Lee University grounds also. Went into the chapel saw a number of interesting pictures lying statue of Gen. Lee, the office as he left it, his tomb, etc. Left Lexington at 12¹⁵ and reached Mt. Sidney at about 3³⁰. Rev. D. W. Files met me at station and took me to his home. In evening, he took me out to call on Mr. Stover and on Mr. Alexander.

Sunday June 18, 1911. In A.M. preached at Salem ch. to a large audience, in P.M. in Melonehton Chapel, and at night in Mt. Sidney. Rev. Paul Seig is here visiting his sister.

Monday - Friday, June 19-23.

On Mon. Mr. D. S. Wine took me about to see the people. We made a number of calls and expected to return for the night to Mr. Alexander's, but we were at Mr. W. H. Hottinger's until late and just spent the night with him. Drove back on Tues. Morning and Rev. Files met me at the home of the S.S. Sup't. Mr. ? and we drove about until p.m. evening. On Mon. Rev. F. went to Strasburg to attend the funeral of Dr. J. L. Smith who died at about 5³⁰ A.M. Sat. we made lots of calls. Spent Tues night at Mrs. B. L. Huffman's home, etc. In all, we secured \$310.25 for Japan School. Had hoped for \$1000. Virginians are not developed in liberality as the people in the Carolinas.

Mt. Sidney - Staunton, Va.

Saturday June 24, 1911.

Left Mt. Sidney at about 7⁵⁰ A.M. and reached Staunton after 8⁰⁰ A.M. After attending to several things, I called at Rev. Hanchett's where Rev. Bruch met me at about 3³⁰ P.M. and took me out to his home about 10 miles distant. Miss Martha Hanchett and Miss Mary Sue Basserman went out with us, to spend over Sun. On arriving we met Rev. Bruch's family composed of his wife, sons Homer and Paul, and daughters Ruth and Mary. Had met Miss Ruth before. She seems to be a nice girl of 18 yrs.

Sunday June 25, 1911.

Spoke in Mt. Salter in A.M. and in P.M. the children's exercises were held in P.M. They had a good programme. Young Mr. Clemmer took me to Middlebrook in evening where I spoke. Mr. Dasher, just came here as pastor one month ago. Will be ordained at meeting of synod.

Monday - Friday, June 26-30. Rev. Bruch took me around to see his people until noon Thursday when he left me at Middlebrook to meet with the Women's Socy. there. On Wed. P.M. met with Women's Socy. at Mt. Salter. They decided to raise \$100. for school. It was an interesting meeting. Mon. night, we spent at Mr. J. M. Baylor's home. Took dinners at various places: Mon. Mr. & Mrs. Cooks, Tues Mr. & Mrs. McCombs, Wed. Clemmer (the parents of the young man who took me to Middlebrook Sun. on Thurs. at Mr. & Mrs. N. J. Baylor's. Thursday Evening Mr. Dasher took me out to see Mr. Berry. On Fri. morn. we went to see J. Frank Clemmer who is estimated to be worth not less than \$250,000. He did not say what he would do, but promised to do something ~~some~~ I think he will do something handsome. Promised to do it by one of the fall months. He has

A very fine looking daughter who is to graduate from Stuart's Hall next year, but it is sad how she and her mother dance - quite up to date society people it seems.
Mr. Clemmer is altogether cordial and gave me a standing invitation to his home. Rev. Bruch on Tues. called with Mr. or Mrs. D. A. Seaford R. T. H. Staunton & with the hope of his making a good gift to Japan School. He may do so on the anniversary plan, a little later. His wife is dead and no children. Is worth 100 or 150 thousand dollars possibly.

Middlebrook - Staunton.

Friday evening, after taking dinner at Mr. Cale's and calling at Mr. J. V. Elvers, Mr. Dasher took me into Staunton. Mr. Cale's daughter, Miss Alice, is quite a lively good hearted girl about 21 or 22 yrs. old. She has one yr. yet to graduate from Normal School in Harrisonburg. Miss Mamie Elvers seems a nice young lady. Spent 2 yrs. at Marion College. We reached Staunton at a little after 7^o P.M. Took supper in a restaurant and put the horse & buggy in the livery. 6 letters awaiting me. Two from Dr. Holland. He asks me to meet him in either Charlottesville or Waynesboro or Staunton Sat. morning. I have decided to meet him in Charlottesville, leaving here (Staunton) at 5⁴⁰ AM. That will give us more time to talk over what we have to talk about. My coming into Staunton this evening is in consequence of a phone message to me me from Hancher who had rec'd. a letter from Dr. Holland asking me to be here on Sat. morn., but my letter stated as above mentioned.

Staunton - Charlottesville - Basic City - Shepherdstown W. Va.

Saturday July 1, 1911.

Left Rev. Hancher's house and took the 5⁴⁰ train for Charlottesville where I had hoped to meet Dr. Holland. He did not come in on the 7²⁵ train that I thought he would and which he mentioned. He was not in the hotels. I waited until

11:50 A.M. and returned to Basic. While waiting my friend Mr. Alexander of Staunton passed Charlottesville and told me Dr. Holland had arrived in Staunton last night and that he would meet me in Basic, - which I had intended to do. While waiting in Charlottesville I recorded diary from June 8 until present. So far behind this time. Wrote two letters. Mr. Alexander is still holding me to spend a week with him at his home in Staunton. I hope to do it. I am sorry I could not be with him last week. His wife is away in the mountains and wouldn't we have the house to ourselves? He is fine ns He has no children. His wife is a Baptist. I must pack up some sleep soon. Late hours and early rising do not go together. On Wed. morning, I wrote to Mr. Brown telling him of Mr. Kirby's sailing to Japan. Is to sail on the Nippon Maru, leaving San Francisco July 12. Sent the original contract made with Kirby to Brown.

Returned from Charlottesville to Basic on 11:50 train. Met Dr. Holland there and had conference with him from 1¹⁵ until 3⁴⁵. It was agreed that I write Dr. Horn offering to meet with their Board in Phila. on Thurs. Dr. suggested that I run down to Asheville N.C. to the J. P. M. M. but we finally decided that I had better go to Phila., if needed. I did not encourage the Asheville trip, for I felt that it would be of no gain, except for my own pleasure. I would enjoy being there, however. The conference there is from June 30 to July 6. Reached Shepherdstown at about 8²⁰ P.M. Mr. Hawthorne met me at the station and took me to his home. Enjoyed meeting his family again. Mother knowing at what time I would pass through, was at the station to meet me. I was sorry I could not stop. She handed me several letters. One was from Rev. N. Yamamotochi which I enjoyed very much. Written with Romanji.

Shepherdstown W. Va.

Sunday July 2, 1911.
Spoke mornings and evenings in St. Peter's ch. here in Shepherdstown, and in P.M. in Villa ch. about 5 miles out in the country. Dr. Miss Eva and Miss Sophia Hawthorne went out also. It was a hot day - the hottest we have possibly had this year. Three services each trying after services in Am. Mr. R. S. M. Hoffman offered to take one share in Japan School. In the country, the people gave but little encouragement. The only, there may be one share.

Monday, July 3, 1911.

Spent all of AM. in writing letters. Wrote ten. In P.M. called on Mr. Clegg Hoover and on Mr. Snyder. Neither committed themselves, but both promised to do

Something on the Japan School. This is the hottest day so far. In P.M. at about 4 o'clock it was 101° in the shade. Fearfully hot. In evening, at about 8^o o'clock, the Misses Heathcox & I went down to the river to try to find a cool place. Then decided on a boat ride, but Miss Eva would not go out as she always gets dizzy. So Miss Saphronia and I rowed up the Potomac quite a distance. We were in the boat nearly 2 hrs. It was perfectly grand. The calm river, the trees over hanging the banks, the just half moon making it light enough to see the time by the watch, and the refreshing breeze on the water all made it the most delightful boat ride I ever had. She enjoyed it also. A bat flying about however, annoyed us a little. Fish jumping up interested us a bit. Had no one been waiting on us, and the folks at home not expecting us back at a reasonable hour, we would likely not have come before the middle of the night at earliest. We pulled off two maple leaves to bring back with us as mementos of the ride, but forgot them and left them in the boat.

Tuesday, July 4, 1911.

At 5^o A.M. the thermometer stood at 78° very little sleep last night. At 4^o P.M. it was 104°. People in the cities are suffering and a number of deaths from heat have occurred. Did some letter writing, but spent most of the day trying to keep cool. In evening, it looked as though we would get rain, but it did not reach us, even though it came near. Rained quite hard near by. The threatening weather kept many away from the ice cream & soup supper given by the ladies of the ch. for the benefit of a piano for the S.S. They cleared \$26⁵⁰. Before it was over, Miss Saphronia & I took a walk out to see the fireworks, and then back again to the lawn for more cream. Had not Dr. H. kept me out walking so long, she and I would have taken another boat ride on the Potomac. That ride last night was perfectly grand. Returning from the lawn refreshments, she & I sat on the upper porch until almost 12^o o'clock. It was a hot day but became a little cooler after night. In evening rec'd a letter from Dr. E. J. Horn determining my going to Phila. tomorrow to meet with Gen. Council Board of Missions. I will go.

Shepherdstown W. Va. — Hagerstown Md. — Philadelphia Pa.

Wednesday, July 5, 1911.

Left Shepherdstown at 10:28 A.M. and while waiting at Hagerstown 1^{1/2} hr. 35 min. I called on Ezra at the National Biscuit Co. office. We were together an hour — took dinner together. I left at 12:40 and after 15 min. delay in Harrisburg, reached Phila. at 5:45. Am now staying at the Green Hotel, on 8th & Chestnut Sts. Hot day. With the exception of about 15 min. in Wash. last July, this was the first time I have seen Ezra since I have been back from Japan.

Last night, I saw Miss Eva Heathcox

a pair chop sticks, in anticipation of her marriage to Mr. Mohler in Oct. He is a member of the Villa cong., and a nice man, it seems.

Philadelphia Pa. — Reading Pa.

Thursday, July 6, 1911.

Took my own good time sleeping this morning. I retired at about 9³⁰ and did not get up until 8:30 A.M. I find myself feeling better. I can not do without sleep, and I loathe much of it going about. It remains to be seen what the Gen. Council Board will do in the matter of co-operation in school work in Japan. I cast myself on the Lord for strength to present the matter clearly and unbiased before them. The Lord knows that we have no under-hands in our plan. This P.M. at 2^o o'clock the Board meets at 1522 Arch St., and I am to be there. At 2^o P.M. the Board met. After they had been in session for some time I was sent for. Had been waiting down stairs in the pub. sale room. It took me only about 15 min. to prepare our proposition and answer their questions. I then withdrew. Dr. Horn asking me to go with him to Reading for the night. I went back to the hotel and got my suit case and settled up and left. Meeting Dr. Horn at the Pub. House. We took supper in the Station Restaurant and left Phila. at 6⁴⁵, reaching Reading at about 8:25. It was a beautiful ride over the Phila. & Reading R.R. up the Schuylkill. Saw the house occupied by Washington & Valley Forge.

At Dr. Horn's, I met Mrs. H. and Mrs. H.'s Sister, Miss Chidolue, Edward Horn who is to go to Japan sailing Oct. 17, and his intended bride, Miss Russell, and also Miss Harriet Horn, Dr. H.'s daughter. Also met the S.S. Supt. of Drs. ch. in Reading, Mr. Bard who sat with us on the porch until 11^o P.M. Retired at 11:30. Dr. H. informs me that the matter of co-operation in educational work, was left to a Committee composed of himself, Dr. Abramson, and Rev. Belantzky. They will decide soon. Today one year ago, I reached N.Y. and went to Wash.

Reading Pa. — Winchester, Va.

Friday, July 7, 1911.

Left Reading at 6:45 A.M. reaching Harrisburg at about 12^o. Waited here until 3:45 and went to Winchester where I arrived at 7:15. Young Horn went with me to the station in Reading. He seems a very nice fellow. In Harrisburg, I went to see the Pa. State Capitol. It is certainly grand. It appears fully as fine as the capital in Washington. Went to a Kwanundo Shashin sentokuai. Omoshiroi. In Winchester, went to the Inn. After dark, I was on

the street and met Mr. J. E. Cooper. He took me to call at the Misses Wolf's - Miss Kate and Miss Fannie. They made lemonade for us. I then went with Mr. C. and spent an hour with him at his home.

Winchester - Bloom Va.

Saturday, July 8, 1911.

Yesterday one year ago, I reached home from Japan. Called on Mr. Cooper in Am. and got my mail. And then called on Dr. Powers and I found a letter there. Took dinner with Mr. Cooper. At about 3³⁵ P.M. Mr. Williams came for me, and I went to his home near Bloom where I am to preach tomorrow. It was a 13 mile drive. Recd. a picture postal from Miss Alice Bullock.

Bloom - Gravel Springs, Va.

Sunday, July 9, 1911.

Preached at St. John's in Am. And Mr. Nathan Williams took me to Gravel Springs in P.M. to meet 3³⁵ expectant at Gravel Springs. After services at the latter place I was taken home by Mr. & Mrs. J. H. S. Cooper, whose P.O. is Star Tannery, Fred. Co., Va. In conversation I find she is a sister to a Mr. & Miss Towns whom I used to know, at Town Brook. This was the first Sunday evening I have not held services for a long time. Hot day.

Gravel Springs, Va.

Monday, July 10, 1911.

Mr. Cooper very kindly took me around to see some of the people today. Yesterday, Miss Bertrude Hemmibright offered to take me around, so in the evening Mr. Cooper took me there thinking that I might spend the night there and have her take me around tomorrow, but her father says the horses are all in use. So I do not have the honor of being taken around by a lady. She seems to be a nice young woman about 25 yrs. of age. She may take me back to Mr. Williams' Wed. if a horse can be had.

I note in the "Visitor" that Dr. S.S. Rahn died on July 1. It was a great surprise to me. I had recd. a letter from him only a day or two before that date. Life is uncertain. I must write a letter of sympathy to Miss Alice. Secured #25⁵⁰ from solicitations today. Took dinner at Mr. Alonso Dodson's home.

Gravel Springs, Va.

Tuesday, July 11, 1911.

Mr. Cooper took me around in Am. we returned at 1⁰⁰ P.M. Had an interesting talk with an old fellow who did not want to give, but who was afraid to hold out to the assertion that it was not a ready work. Spent the P.M. in various ways. Tried to take a nap, but it was pretty hot in the house where I was.

Gravel Springs - Bloom Va.

Wednesday, July 12, 1911.

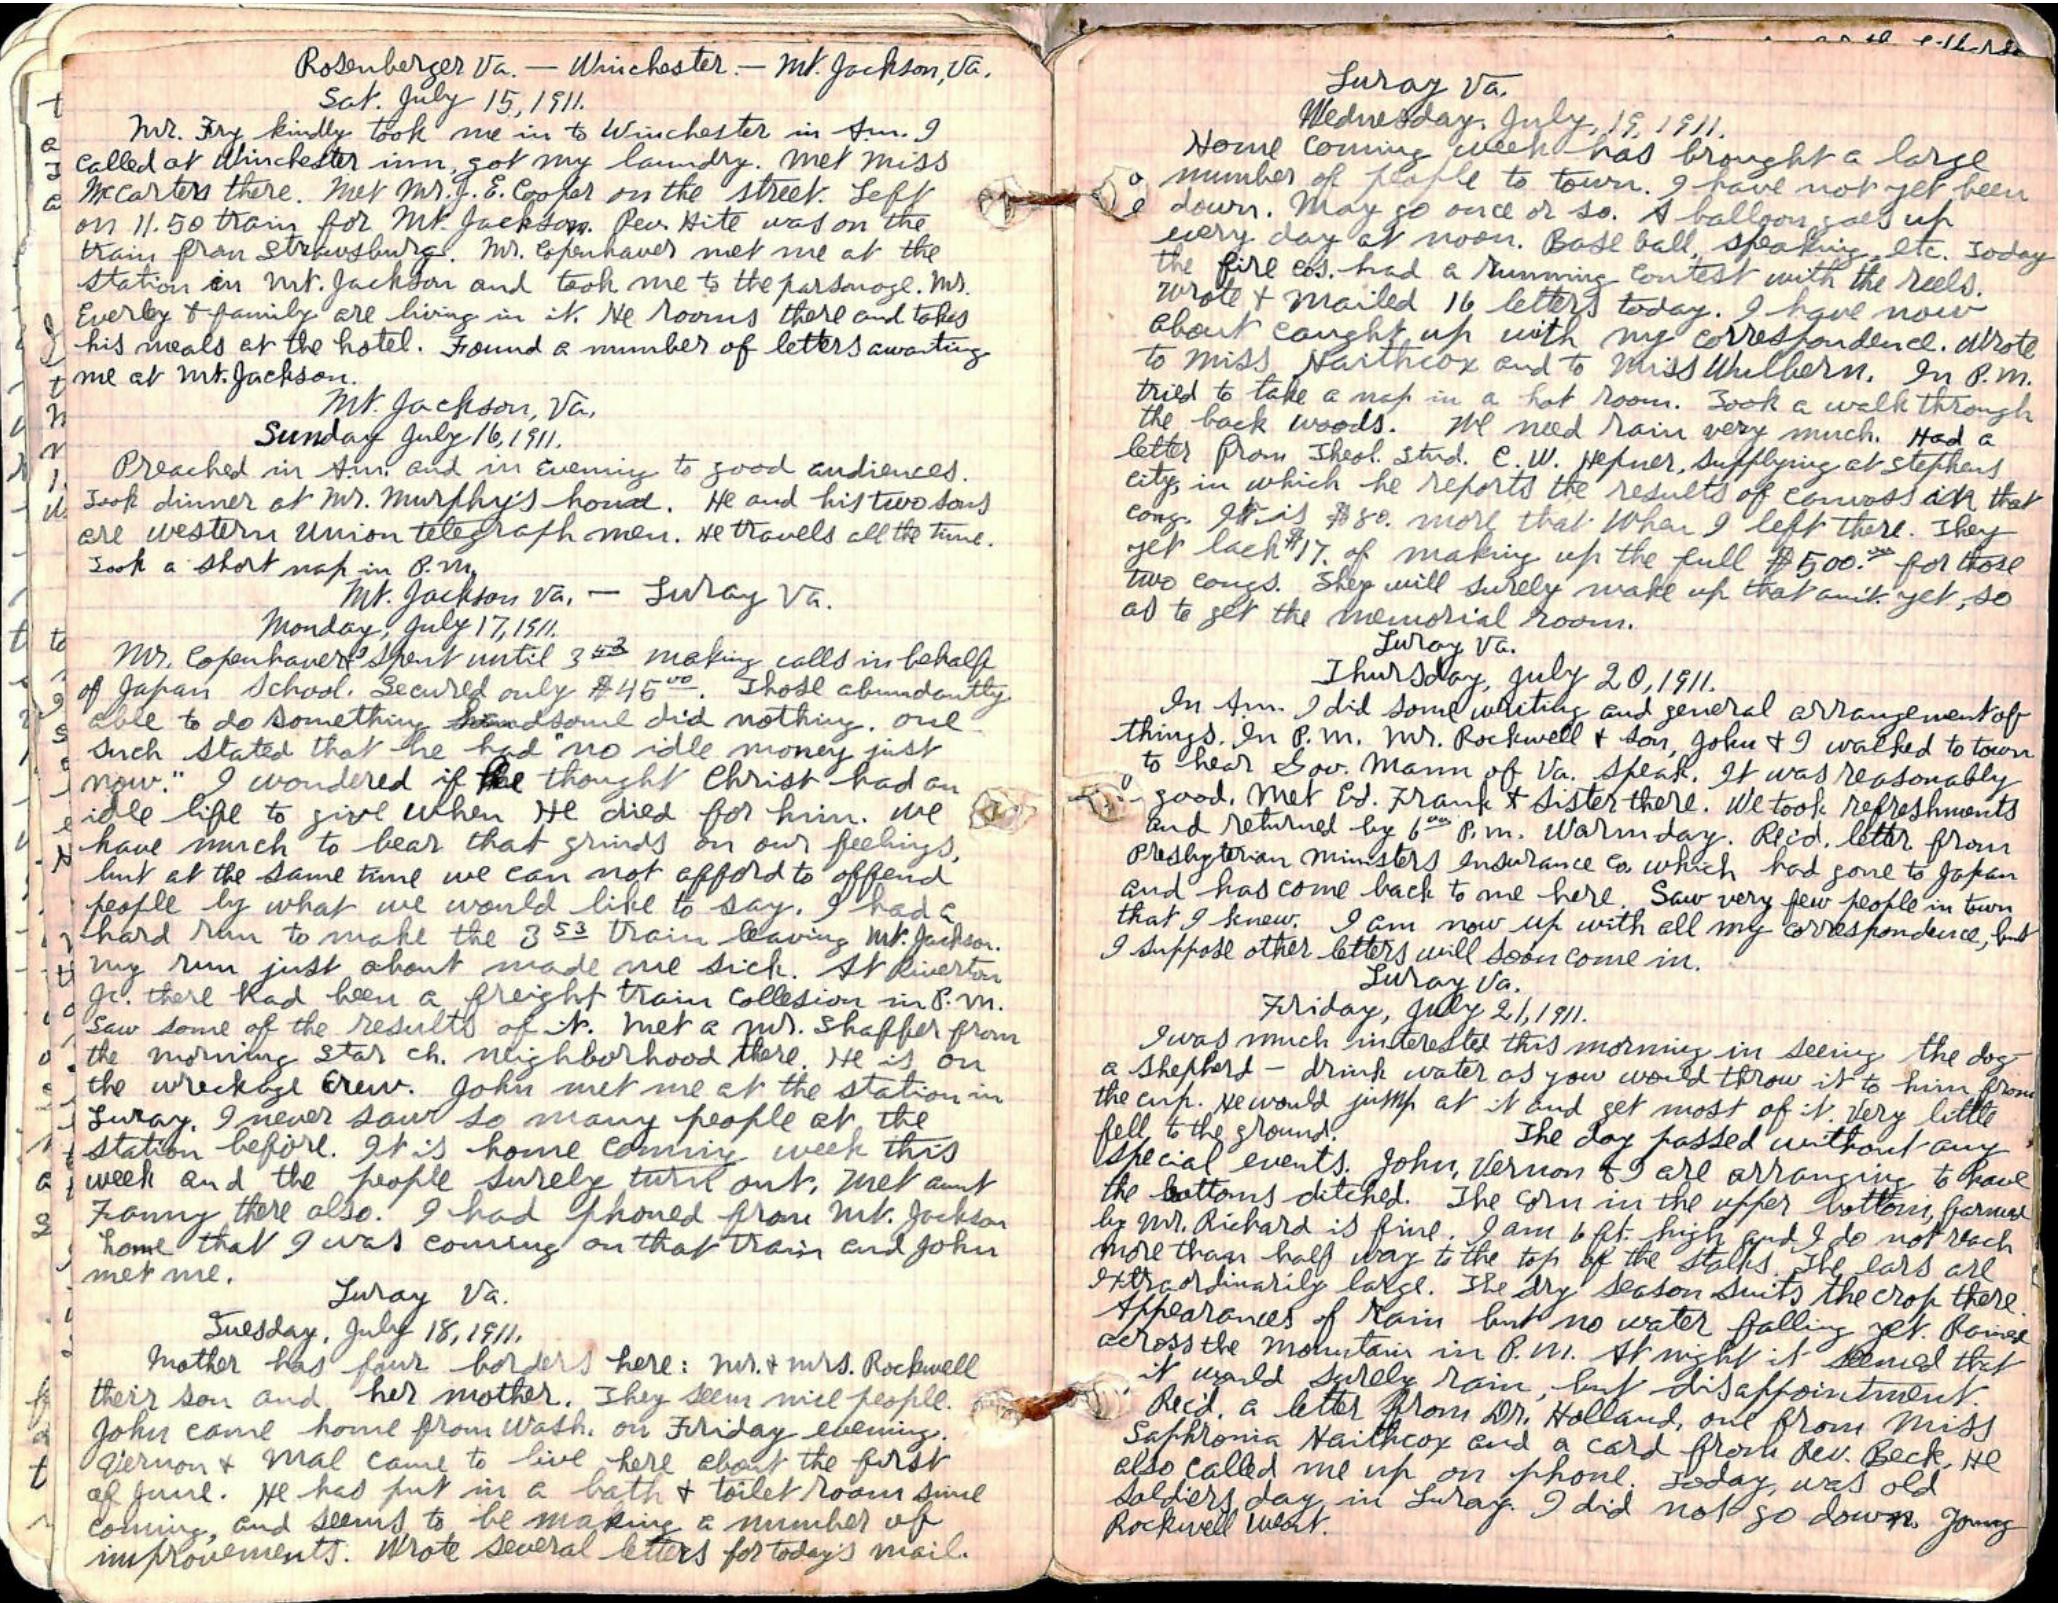

Today, Mr. Kubo is to sail from Sanfrancisco on the S.S. "Manchuria". Mr. McElvee drove me down to Mr. Williams in Am. Before starting from Mr. Cooper's, we were served with ice cream. Miss Hemmibright would have taken me down but for a horse. In P.M. Mr. J.H. Williams took me around to see the people in the upper end of the field of St. John's Cong. God encouragement everywhere we went.

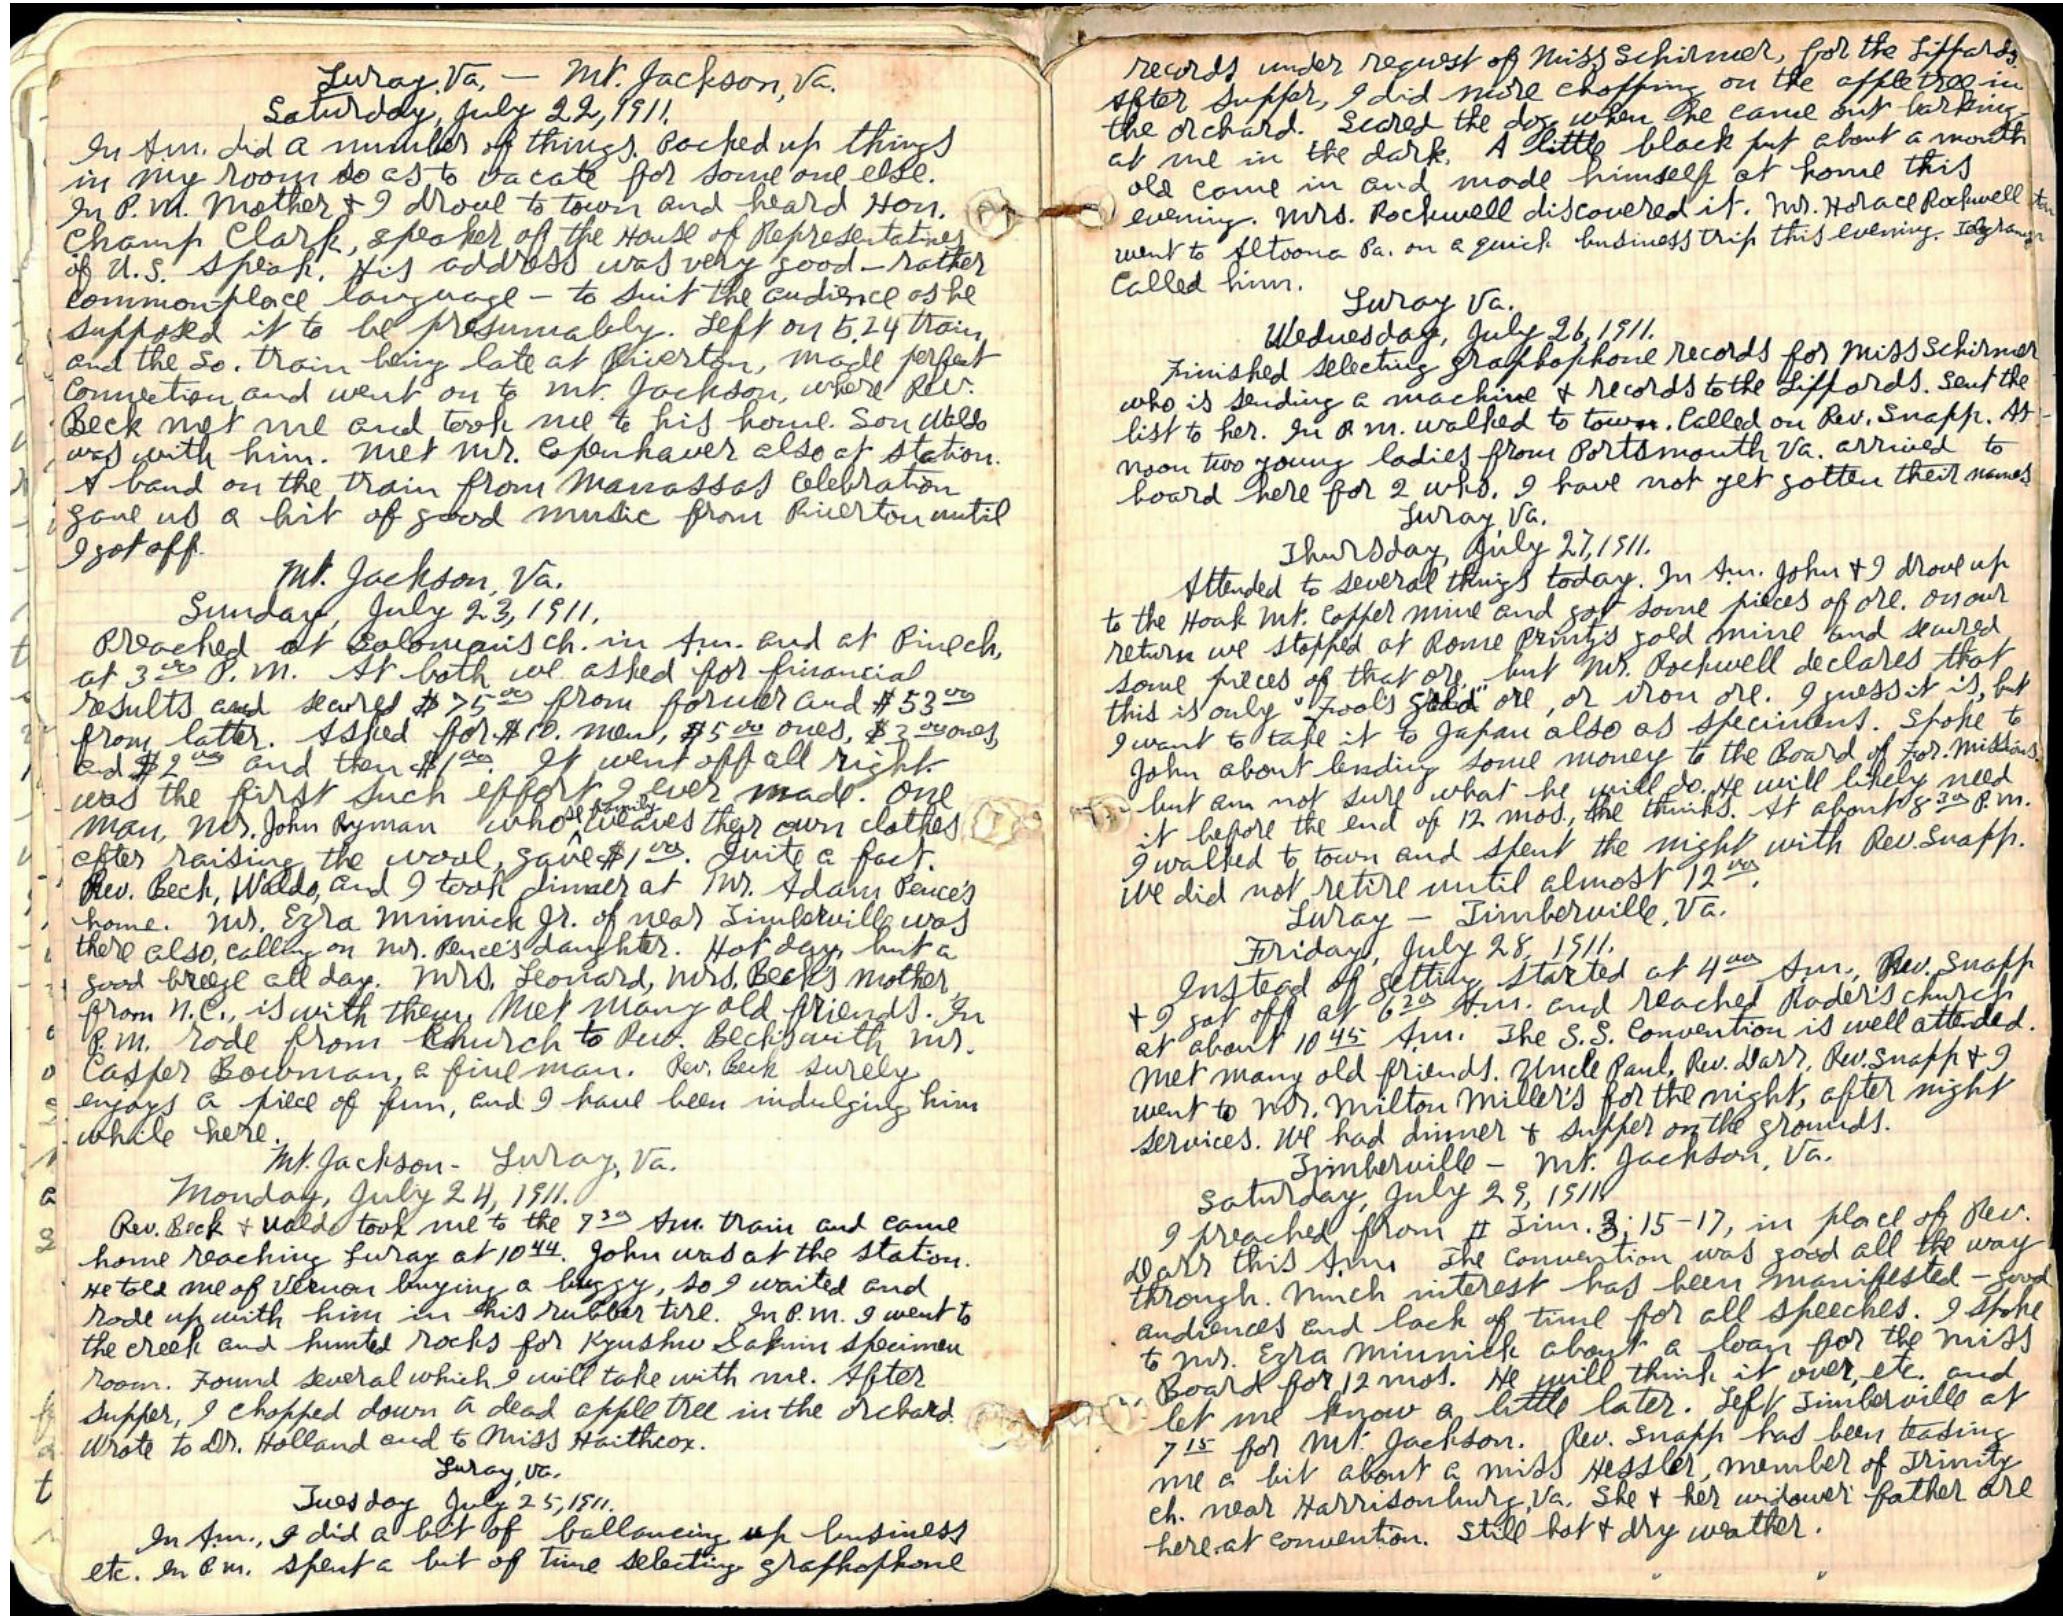

Bloom - Rosenberger, Va.

Thursday, July 13, 1911. In Am. Mr. J.B. Fry came for me at Mr. Williams' and took me around over the lower part of the field. We met encouragement everywhere we went. It is coming in in small amounts, but I like to see the people's willingness. Came back to Mr. Fry's to spend the night. In Am. we had called at Mr. A.L. Whited but found he was not at home. Just after we had returned to Mr. Fry's in the evening, he came over - 2 or 3 miles horse back ride - and gave me \$5⁰⁰ for himself and \$2⁵⁰ for his wife. He is one out of many who would put himself to the trouble of doing such a thing. He is a bit aged too. May the Lord bless him.

Rosenberger Va.

Friday, July 14, 1911. Mr. Fry & I were out in Am. seeing people. Met but little encouragement. At the dinner table I remarked that if Mr. Fry's sons were going back to the mountains for whortleberries in the P.M., I would go with them (my solicitation had been finished). The sons Dr. G. and J. M. afterwards returned from the mts. In the meantime I had taken a nap. About 4⁰⁰ P.M. "Gimme" and I started out for berries. He dressed me in his calvary trousers and leggings, with an old pair shoes and a wide brim straw hat. Looked ready to rough it. It was a good 30 min. walk to the berries. Before we began to pick them, he found a snake which he took to be a copperhead. I came where he was but in the meantime it had crawled into a clump of laurel bushes about 18 inches high. He wanted me to kill it and I did with one heavy stroke with my stick. The snake was curled ready for a fight, but it did not rattle at all - strang. Mr. Fry took from it the rattles, and they are now in my possession to be put in the specimen room of Myruskin Cabin. I was sorry neither of us had a knife with us. I wanted to skin it and stuff it for the Japan School, but as we did not get back to the house until after dark, and were to start off early the next morning, I did not feel like carrying the snake to the house to skin it. I gave my first rattle to kill, and only my second one to be saved in the mts. I beat Mr. Cooper picking berries.

Mt. Jackson Va.
Sunday July 30, 1911.

Preached at Bethel Ch. in Am. and at St. James in P. W. at Cross Roads. The Am. was a bit rainy for a little and very cloudy. It looked encouraging, but only a little rain fell. We had a small audience at Bethel, but the cause was the big Band reunion yesterday near by, which kept many of the people up until late at night and their friends at their homes kept them from Ch. this morning, but they braved the threatening weather for their absence. How they must exceed! The roads were in fine condition for driving and the temperature was comfortable. We had an 18 mile drive by the time we got back to town.

Mt. Jackson and vicinity.

Monday, July 31, 1911.

Rev. Copenhaver & I were out soliciting all day. Mr. D. J. Clamanan, the first one we called on gave us \$100. All the rest aggregated \$11. Took dinner at Mrs. Mary E. Hammond's and supper at Mr. Chas. Bowman's. The latter has a fine home and large investments, but gave the Japan School nothing. On our return to Mt. J., I found a letter from Dr. Holland, stating that Mrs. F. C. Coover, of Andrews N. C. has offered to give \$1000. to mission Board and asked advice. He recommended a memorial room in administration building of Japan School. How good, after so much discouragement! Still looks cloudy, but no rain yet. I am sure I never knew a time that it did not rain for so long. A boil on my neck is giving me a bit of discomfort.

Mt. Jackson Va. and vicinity.

Tuesday, Aug. 1, 1911.

Rev. Copenhaver & I drove all day making calls until 5th P. M., and secured only \$100. Our horse & buggy cost \$150 per day. Some of the well-to-do people have various excuses. It is an insult to God for them to do treat the cause. Rev. Copenhaver tells me that his cousin, S. H. Copenhaver who is soon to leave Chicago and take up the work in Birmingham, Ala. as pastor is to marry Miss Margaret Greer this Fall, before he goes to B. They were recently engaged, it seems. That eliminates Mrs. Holland's possibility. At about 5th, we had a good shower which was so much needed. We need much more, but are thankful to get this. Mr. Copenhaver & I had a good long talk at night. A letter from Mr. S. B. Miley, Toms Brook Va. about appointment.

Mt. Jackson Va. and vicinity.

Wednesday Aug. 2, 1911.

Mr. Copenhaver & I took a drive, in Am. to see Mr. Lutz out far in the country, but got nothing. He may do something

in the fall, but we can not build schools on such! Dr. Morehead of Roanoke College came on 19th train. Revs. Beck & Darr happened to be here at the same time. We five could have held quite a conference. Morehead is urgently requested by telegram to be both in Washington to see Lutz, and in Salem at the same time. He is in perplexity.

Mt. Jackson, Va. and vicinity.

Thursday, Aug. 3, 1911.

In Am. Rev. Copenhaver and I met Rev. Beck at the toll gate on the Orange Grade, and went to see Mr. Leo. Foltz. Rev. B. knew him and introduced Mr. C. & I to Mr. F. Mr. Beck afterwards left and went to Mr. Pennywitt for dinner. As Mr. Copenhaver & I were there until near noon, we stayed for dinner. Mr. F. and his sister Caroline live there, with a Miss Pennywitt to help them. Neither are married, and Mr. F. has a lot of wealth. Seems a very Godly man. He and his sister each gave us \$25. for the Japan School. I spoke to him about a large gift, be memorial, or an annuity plan or on both, but he seemed to think that he could not do so just now on leaving. I remarked that when the time came when he would no longer need the things of this world, if he would remember our cause, it would be a very good disposition of what he has. He seemed to take to it very favorably. I would not be surprised if he would do something of that kind. He seemed to appreciate the "Farewell" picture I gave him. We returned to town about 3rd P.M. At night, called on Dr. Hall and had a long talk with him. It remains to be seen what he will do for the school. Mr. Foltz knew my father and grandfather well. Seems to have had a high opinion of both, especially of grandfather as he knew him best. He told me that grandfather formerly preached at St. Jacob's ch. near Covington (Cabin Hill), living from New Market, 14 miles, and got expecting only \$14 per year which was never fully paid. The people often seemed to realize that it was not right, but one remarked that if he got the \$14 promised, it would scarcely be enough to pay for his horse-shaling. He showed me a piece of wood through which grandfather would always ride, cutting off distance from the road. He also told me that on a certain occasion during the war, 6 or 7 soldiers came to his home in New Market and asked if they could stay all night in the stable. He told them they could not, but then told them they could stay in the house. They were some whom he knew. Dr. Hall also knew my grandfather and can not say too much to his credit. He thinks him a wonderful man - mighty in the scriptures - not one who had acquired his scriptural knowledge from any second hand source, but from the Bible itself. He told of one instant

When grandfather preached from the text "Man that is born of woman," etc. His German Bible had it "man that is made of woman." Mr. Hessler (?) objected and concluded that he was not preaching sound doctrine, and the next time he came to preach asked grandfather to use the church Bible, insisting on it. He, for years, had been using this leather covered Bible about 6x9 inches in size, but at their earnest request used the ch. Bible, but during the sermon, so conspicuously impressed it upon them that he was reading from "your" Bible, that they never troubled him afterward about using a special Bible. It seems that there were certain isolated differences in different translations. Had a good shower in evening. It is such a blessing to get it. The air feels so much purer and looks so much clearer. The mountains look so near and beautiful. Mr. Folz's address is also Folz, R. F. D. 2 Mt. Jackson, Va. Opened my boil today, and it feels much better now. I think it will go away soon.

Mt. Jackson, Va.

Friday, Aug. 4, 1911.
 In A.M. Mr. Copenhagen & I drove out to Mr. Robt. J. Walker's home and secured a \$25⁰⁰ subscription for the Japan School. This makes, in all, from this charge \$242. Spent the rest of the day variously. Did a bit of reading. Phoned to mother. She says they have had only a little rain over there. Since then we have been having a fine rain over here. I feel sure it reached them, also. It is still raining here. It is a fine steady rain. It was a rather hot day.

Mt. Jackson - Woodstock Va.

Saturday, Aug. 5, 1911.
 Did a bit of writing and reading the day and left on the 7:45 P.M. train for Woodstock where I was met by Rev. Kuhns and Mr. Coffman. Went to Mr. C's home. Mrs. C. is at Moorefield W. Va. but his two daughters Misses Katie and Alice are here. Mrs. Eversley gave me \$5⁰⁰ more. This makes \$15 for her & Mr. C. This third contribution came as a consequence of a bold statement made by him when he gave the second \$5⁰⁰ viz. that if I would bring another good shower, he would give another \$5⁰⁰. The shower came. I claimed no part in bringing it, and was surprised when he wanted to make good his proposition. Today is the annual reunion at Fishers Hill. It is a threatening sun. the crowd there was small, they say. In P.M. they had a very hard rain there. We had none at Mt. Jackson. They had some at Woodstock before I arrived. Read Dr. Mohnart's booklet on the Lith. Ch. also Dr. Voigt's on Lith. Doctrine and nearly all of the 112 pages of Dr. Sandt on Christian Science.

Woodstock Va.

Sunday, Aug. 6, 1911.
 Preached in A.M. and at night on our cause here in the ch. The audiences were only fair. A bit rainy and cloudy in early morning. I find that Mr. Wiseman, the one whom I especially wanted to see, is in Atlantic City. Took a nap in P.M. as I got but little last night on account of mosquitoes. Glorious moonlight at night.

Woodstock - Luray Va.

Monday, Aug. 7, 1911.
 Rev. Kuhns & I made several calls in A.M. in behalf of our cause, but there was no response. They claim that needed ch. repairs and a parsonage will require all their strength. Had to give it up. In P.M. Rev. K. & I called at Dr. Snyder's home where we had a pleasant talk with them and with their daughter, Mrs. Obercash, and her husband from Charlotte. The only help on the school I recd. was \$1⁰⁰ from Miss Alice afternoon. Left on 4:25 train for Luray. Mrs. Ambrose Beach gather at Strasburg. I met her at Harrison C.C. helped her on and off train and met Miss Daisy and Miss Grace at Luray. As I passed Rev. Snapp's home, I spoke to them, and they had me come in and help them eat watermelon with them. It was fine - the first I have eaten this year. Walked home. It just happened that there was an empty room for me. The house is about full of boarders.

Luray Va.

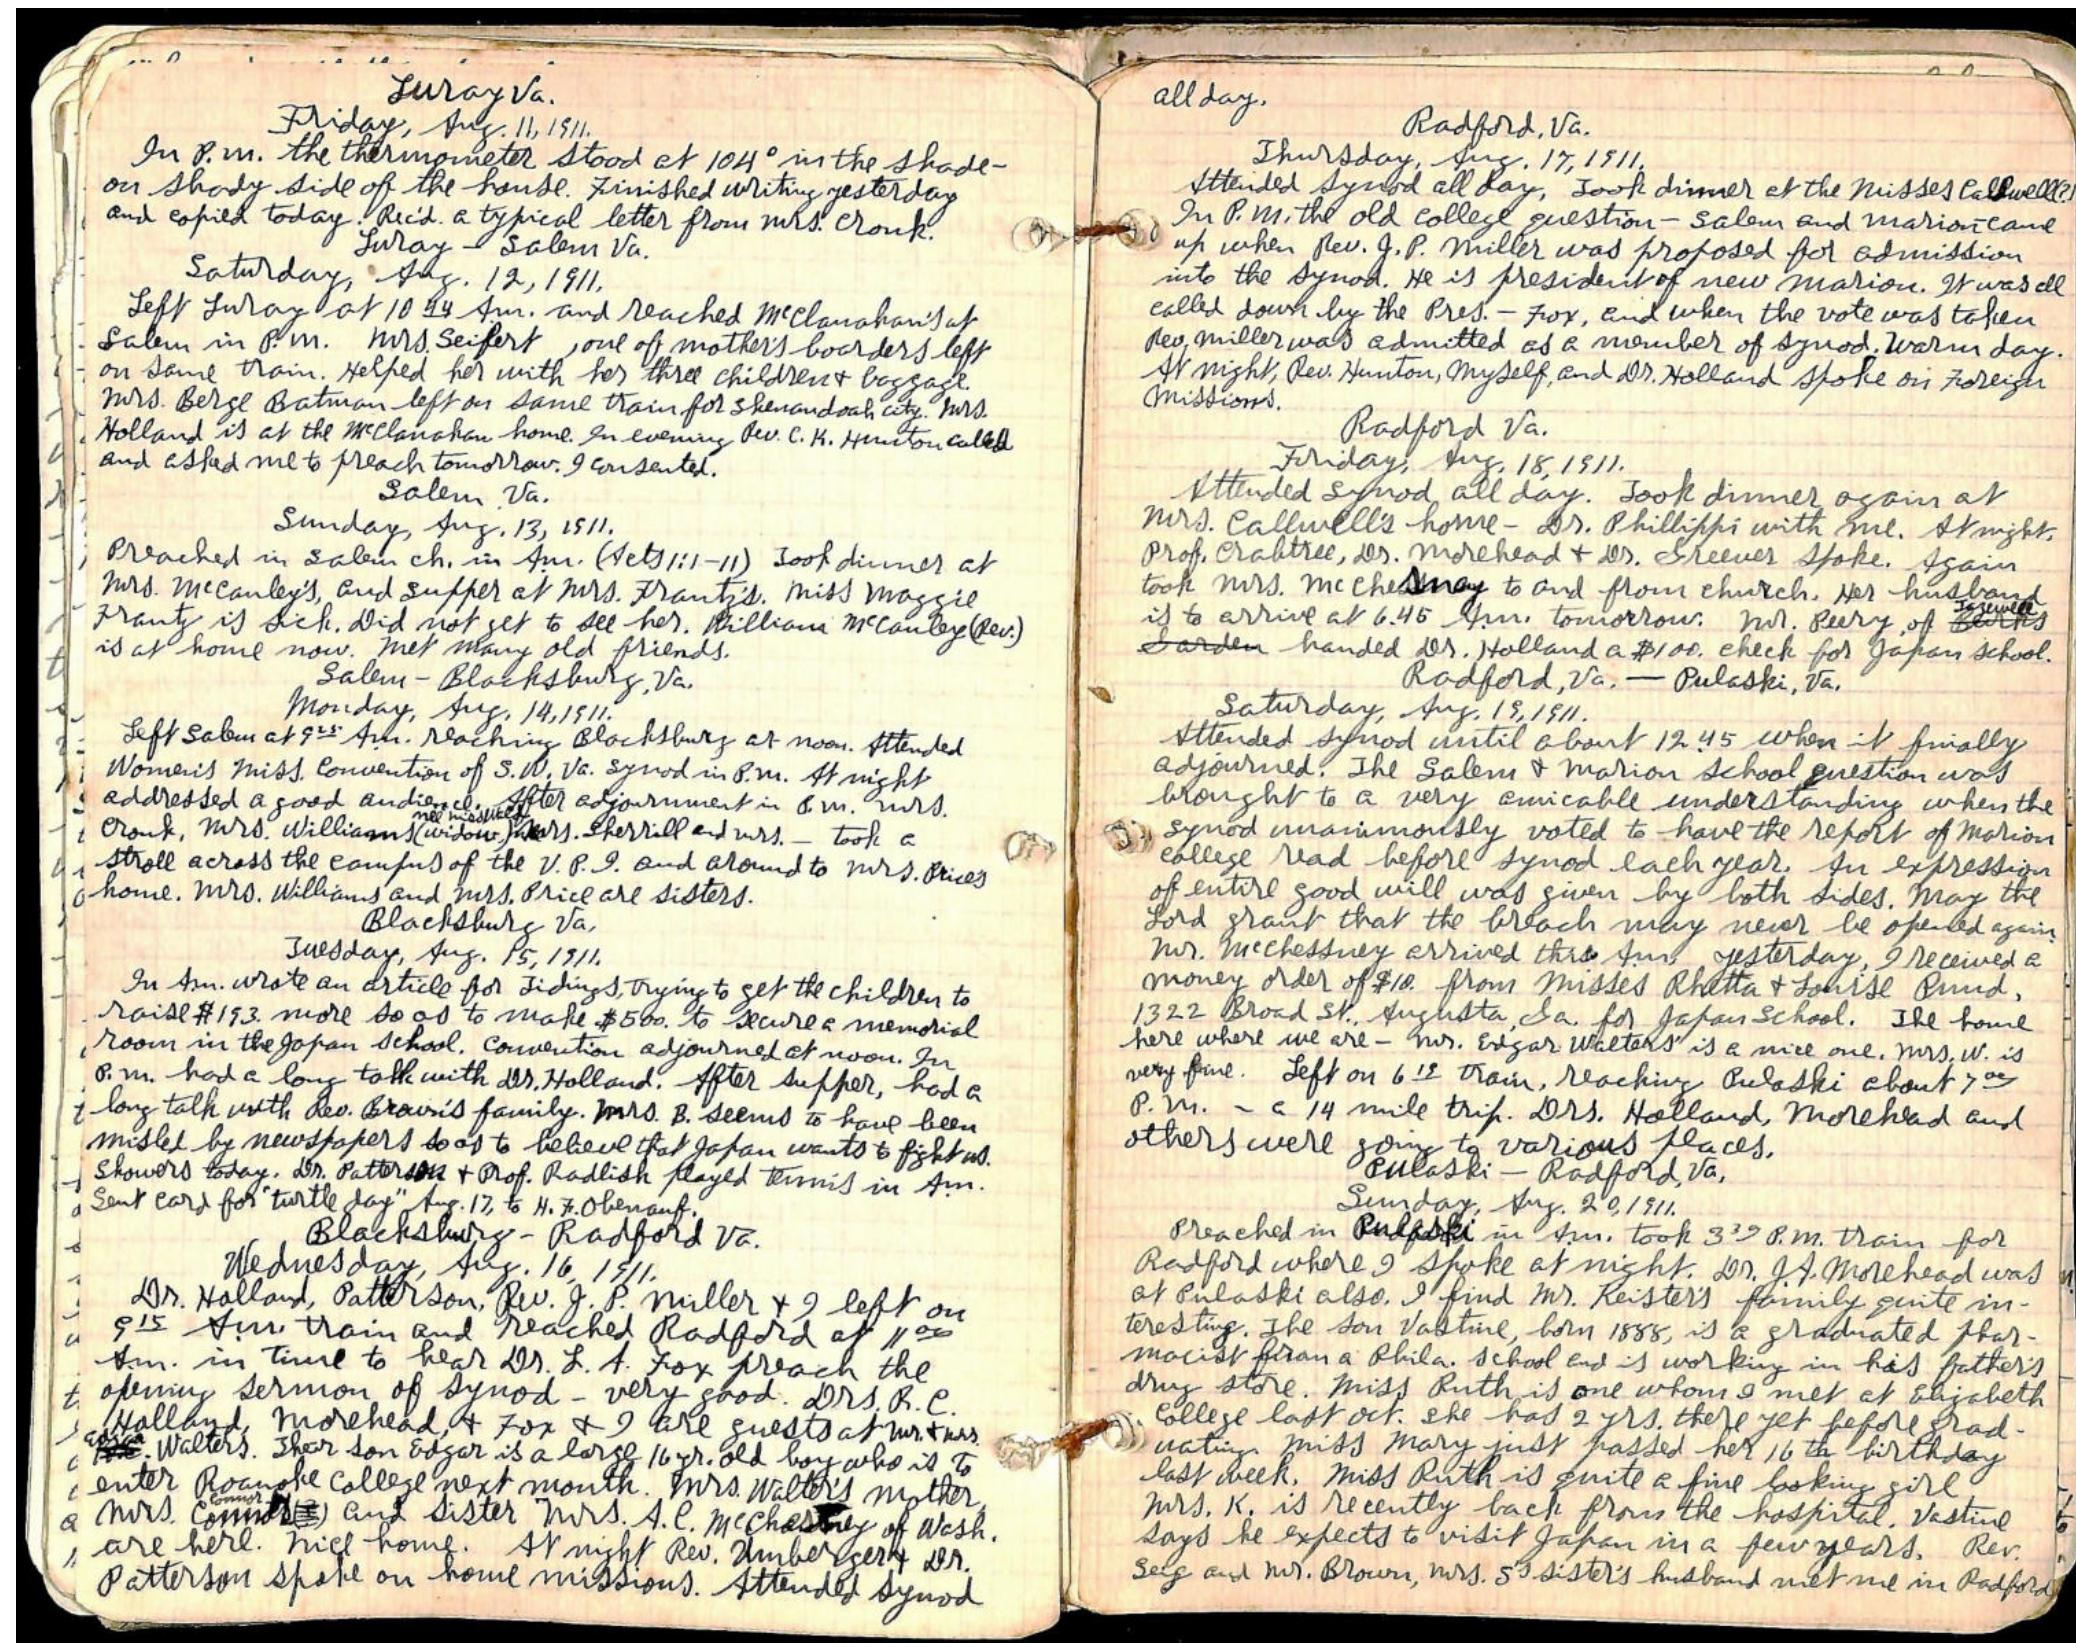

Tuesday, Aug. 8, 1911.
 Spent the day variously. Wrote letters etc. The two little holes on my neck are quite annoying. Did a little doctoring on them. met the folks who are here. Some of them are Catholics. John has been at the Natural Bridge and at Raleigh Springs. Will possibly return tomorrow. I sat for a long time on the hillside in the old orchard below the road after supper and saw it get dark. Enjoyed the moonlight and the clouds very much. The shepherd dog "Shep" was with me for a while.

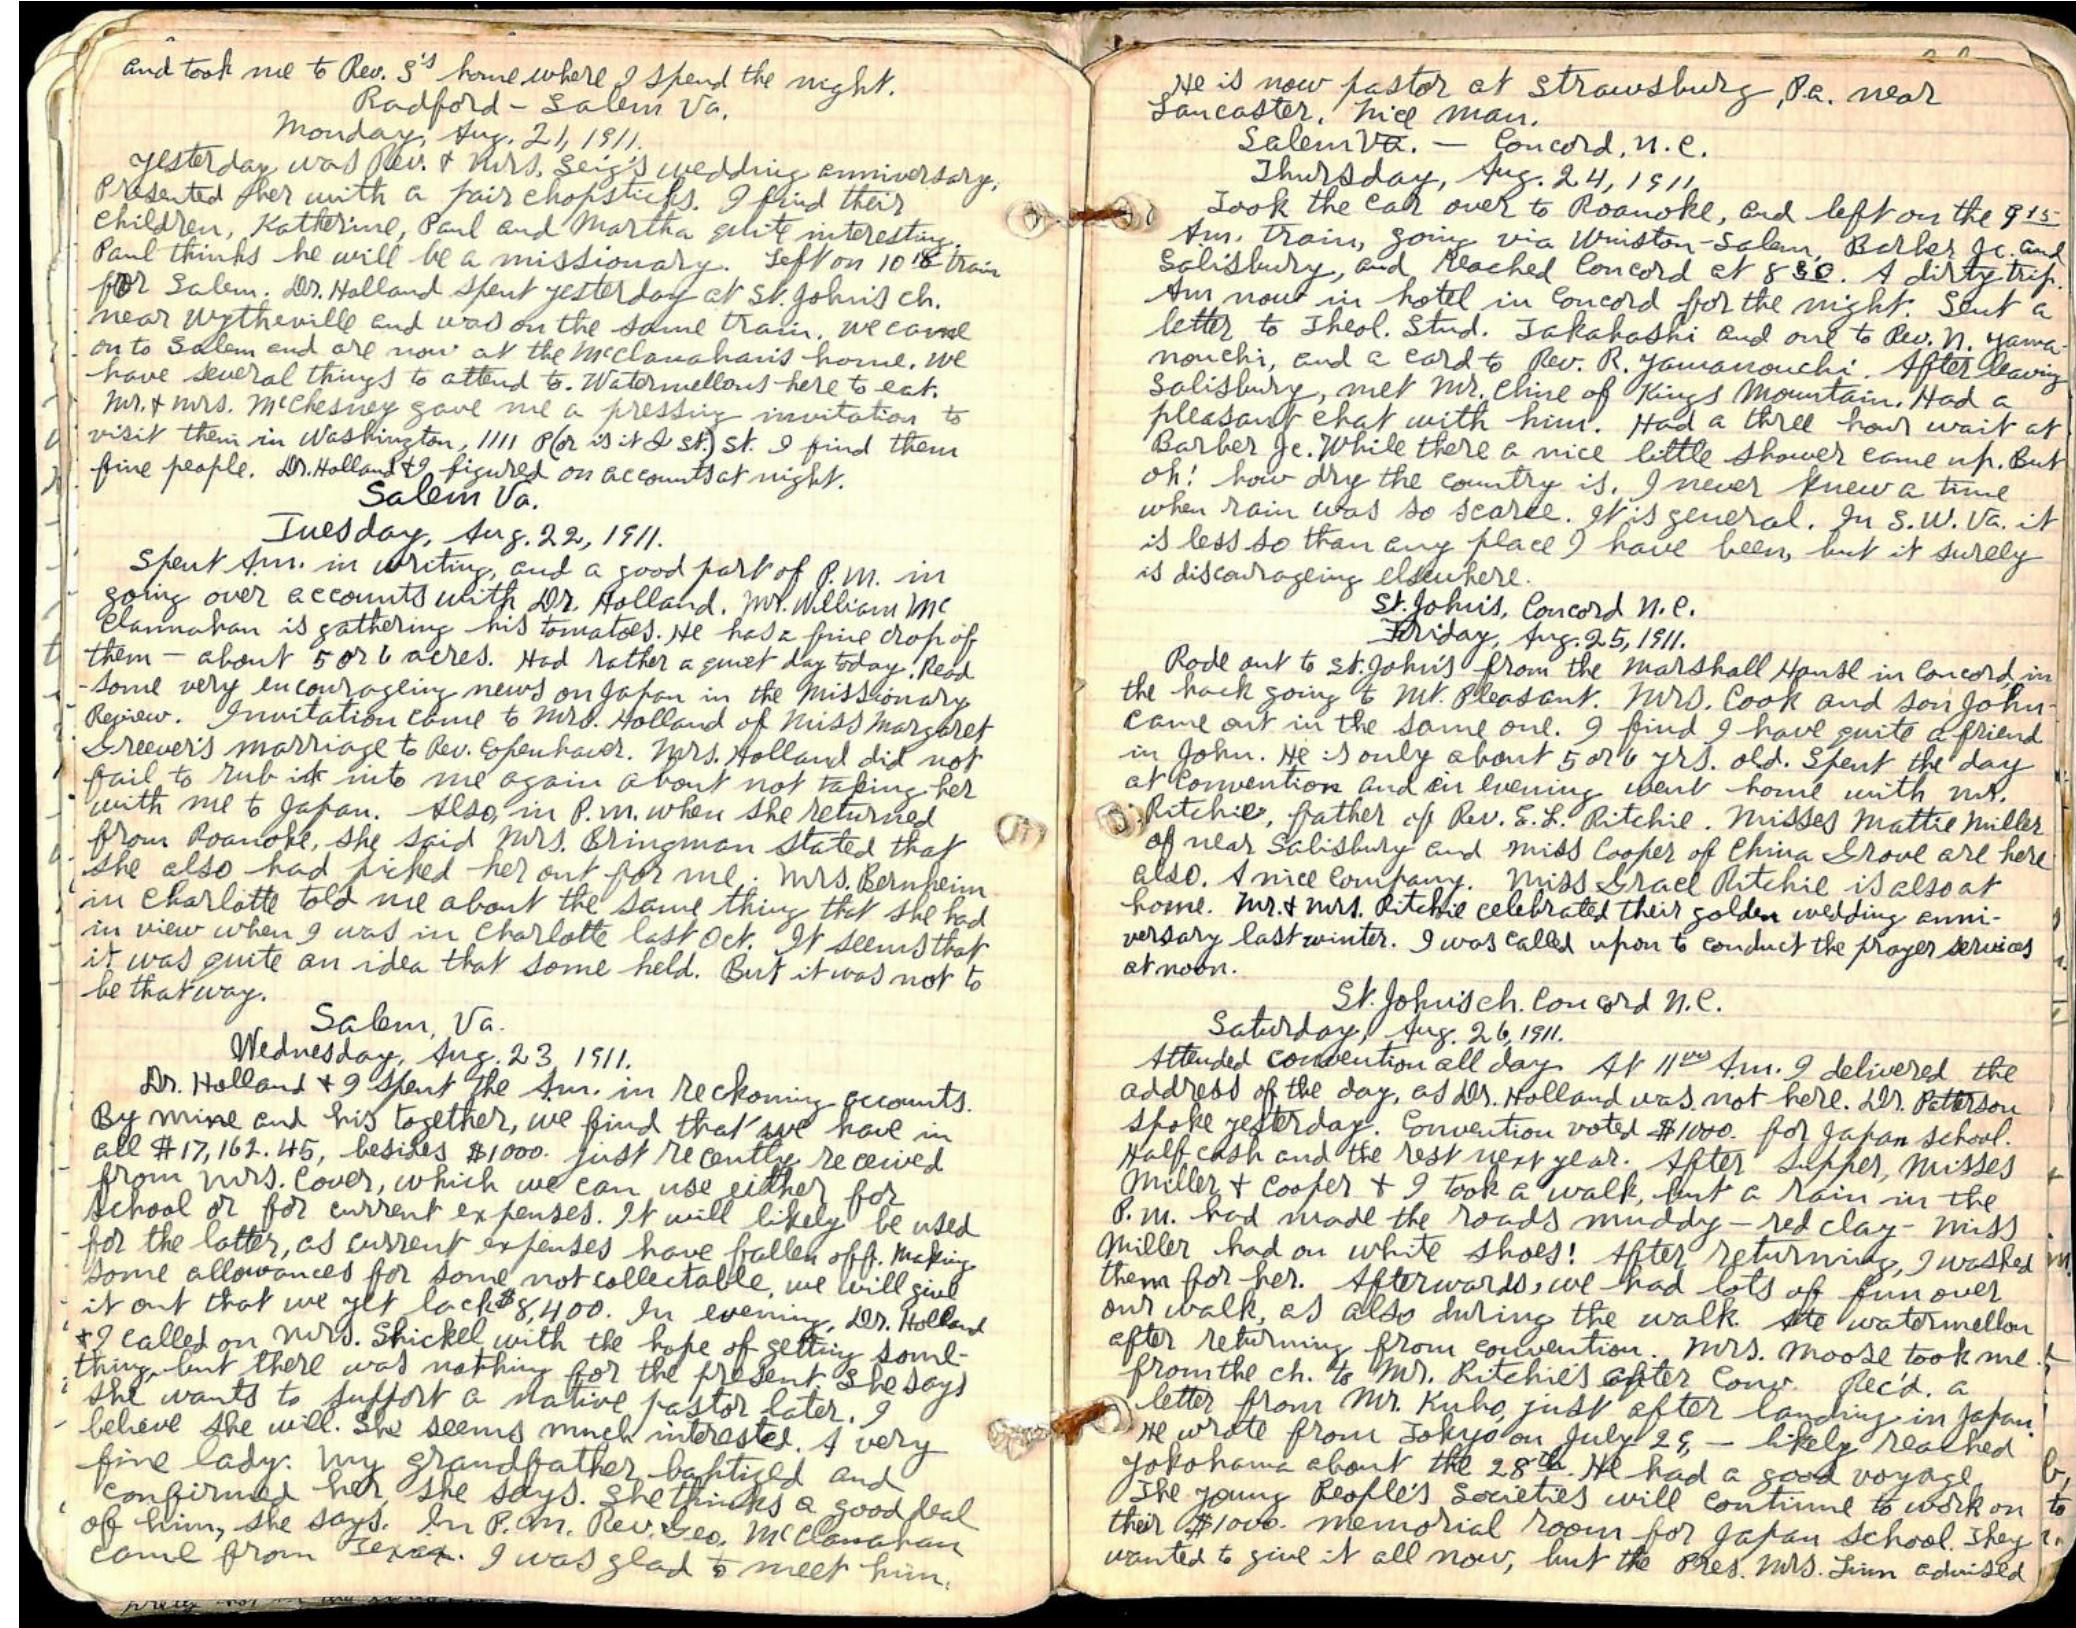

Luray Va.

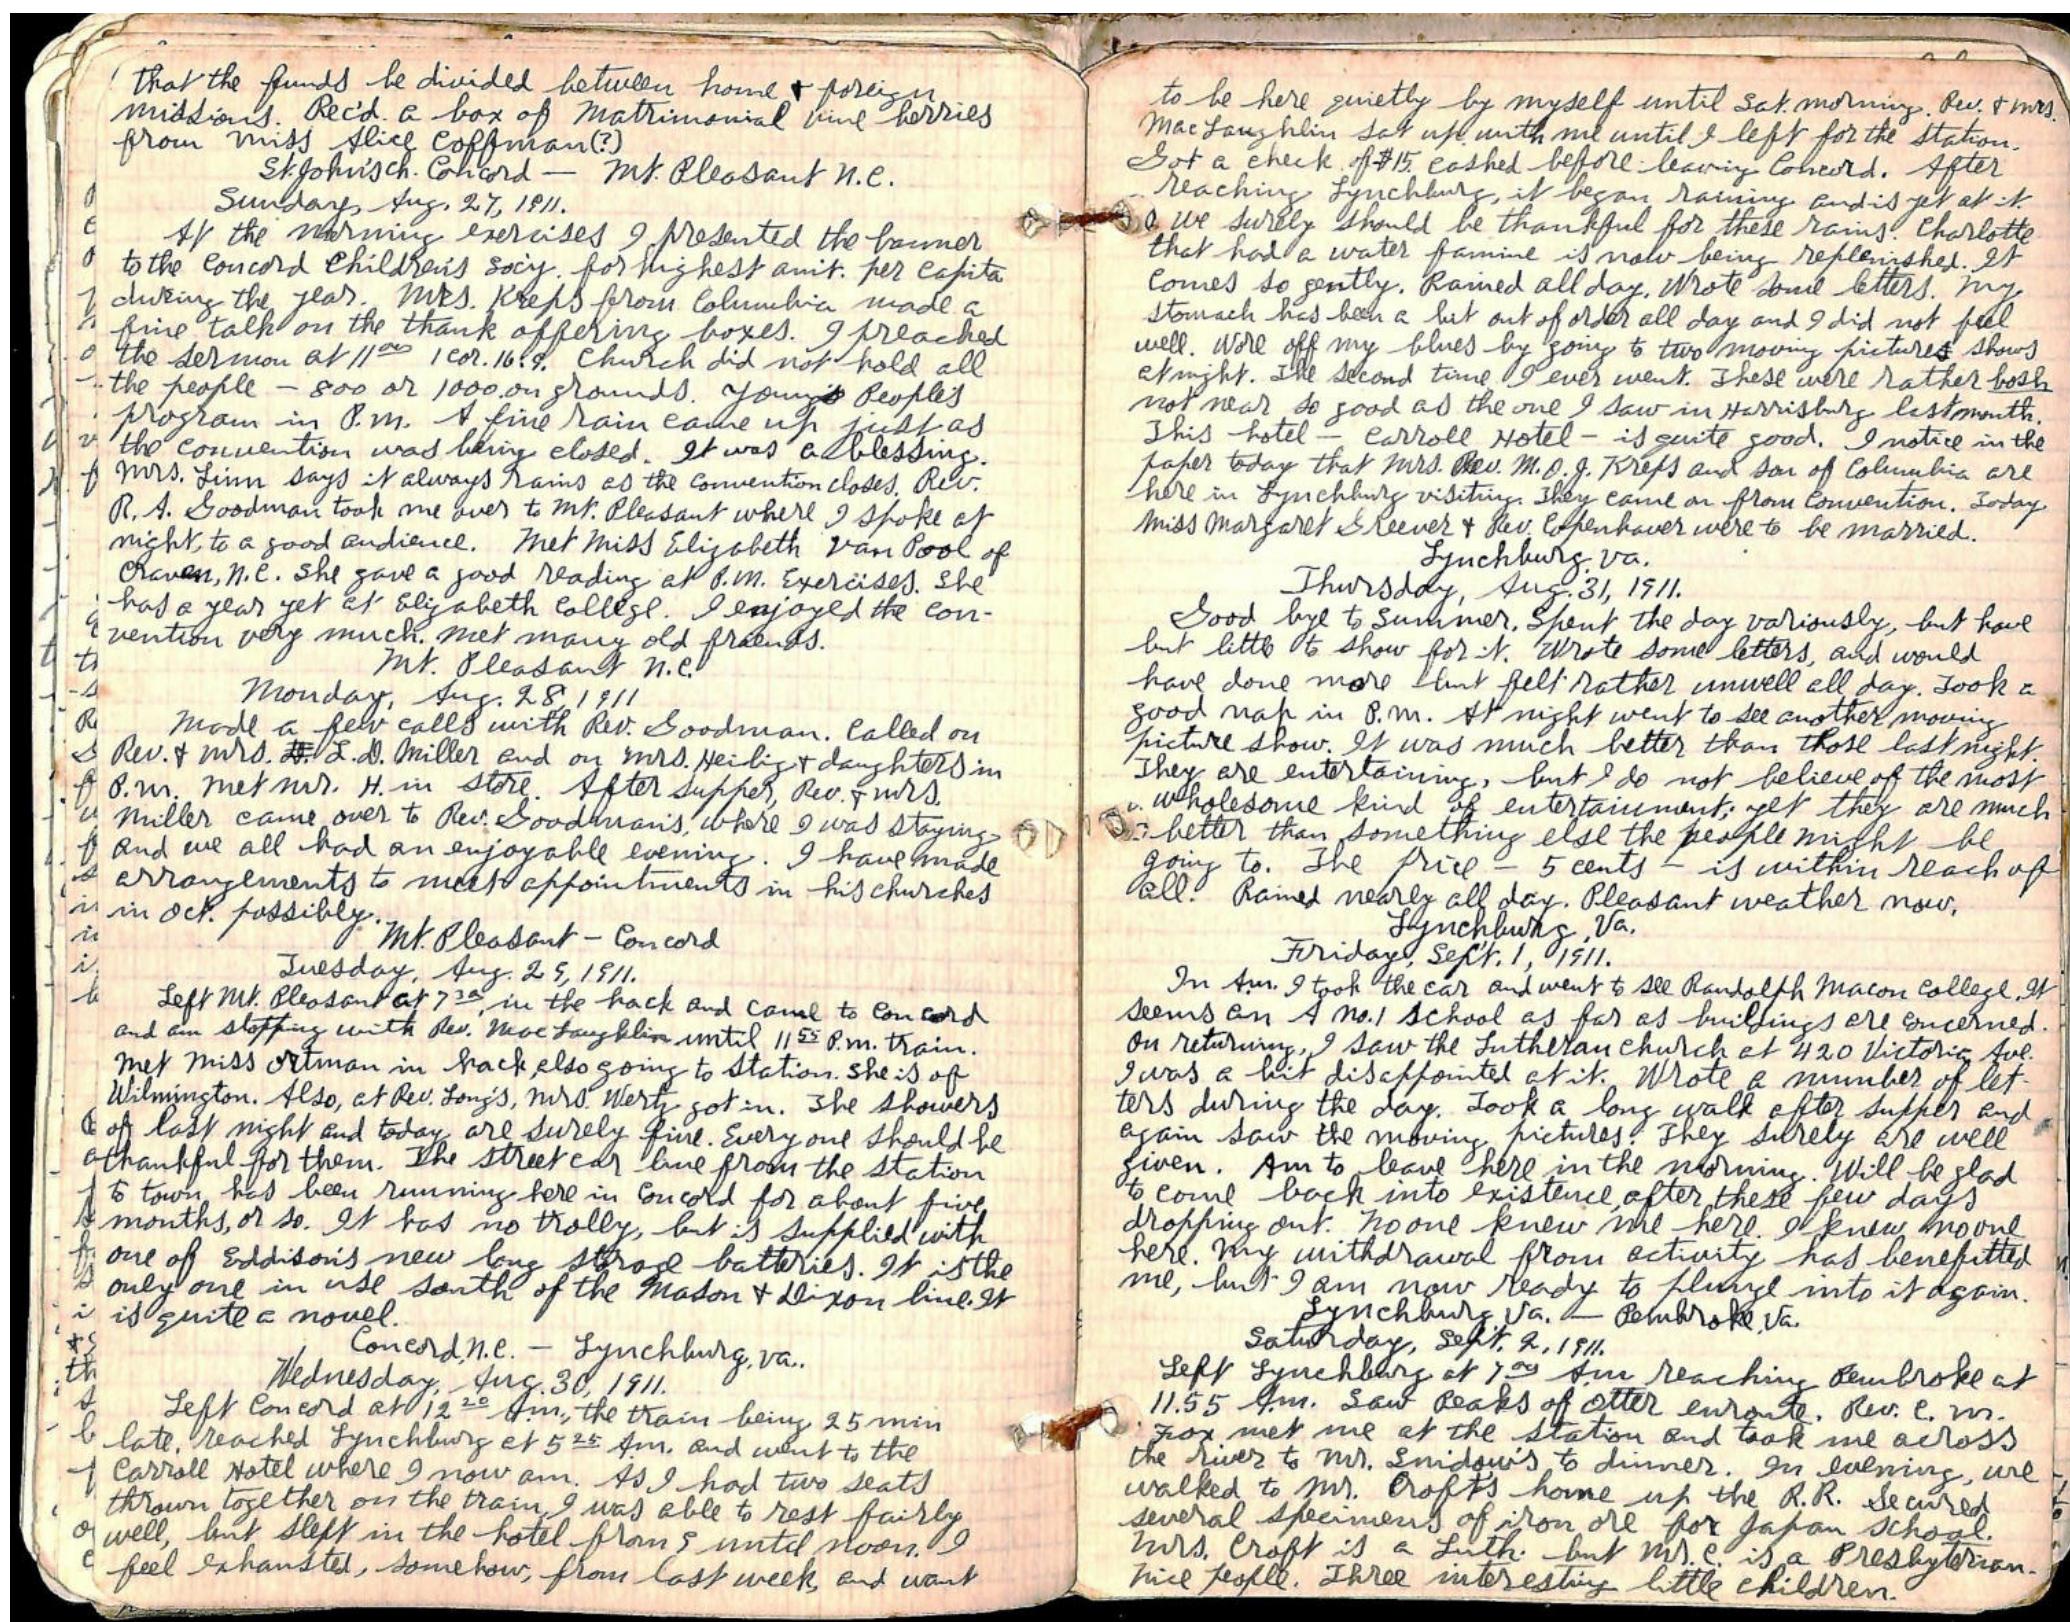

Wednesday, Aug. 9, 1911.
 At about 2:30 sun to day, four of the boarders, Miss Rose, Miss Brooks, Mr. White and Mr. — left for Norfolk where they live. In A.M. I did a bit of writing on "Encouragement in Japan". I have decided to reduce it to writing. Recd. salary for June. In A.M. I wrote sitting on the hill side in the old orchard below the road - under the old sour apple tree. In P.M. I was under a vine-covered tree in the new orchard, above the road.

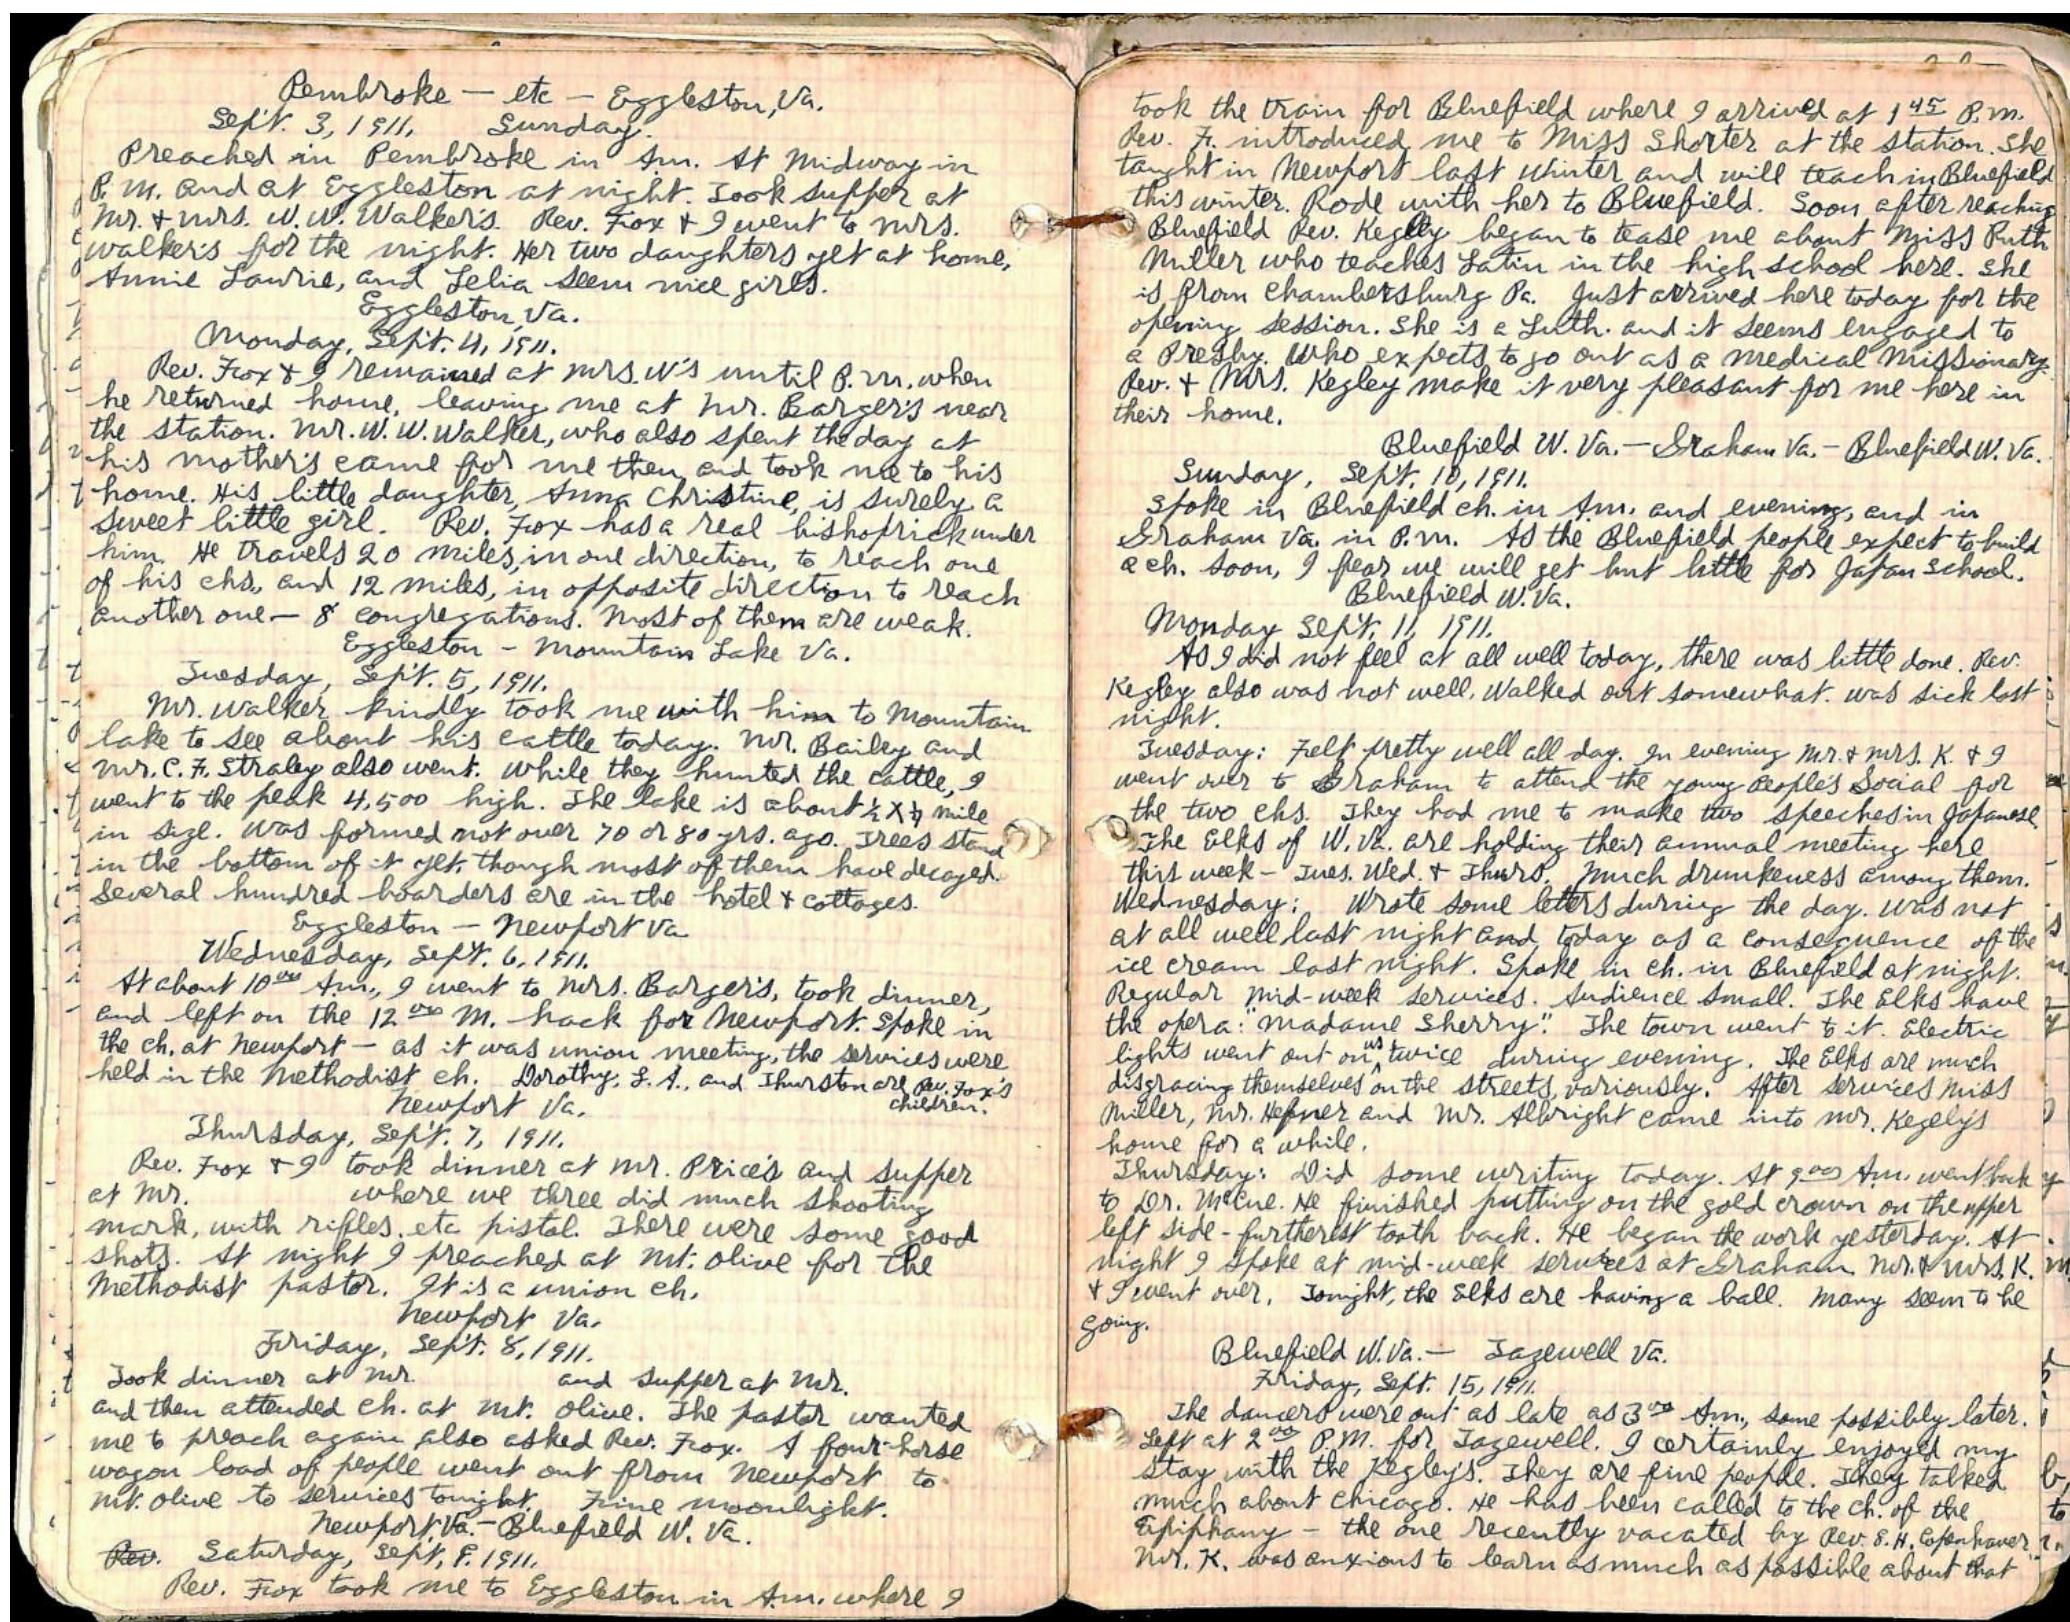

Luray Va.

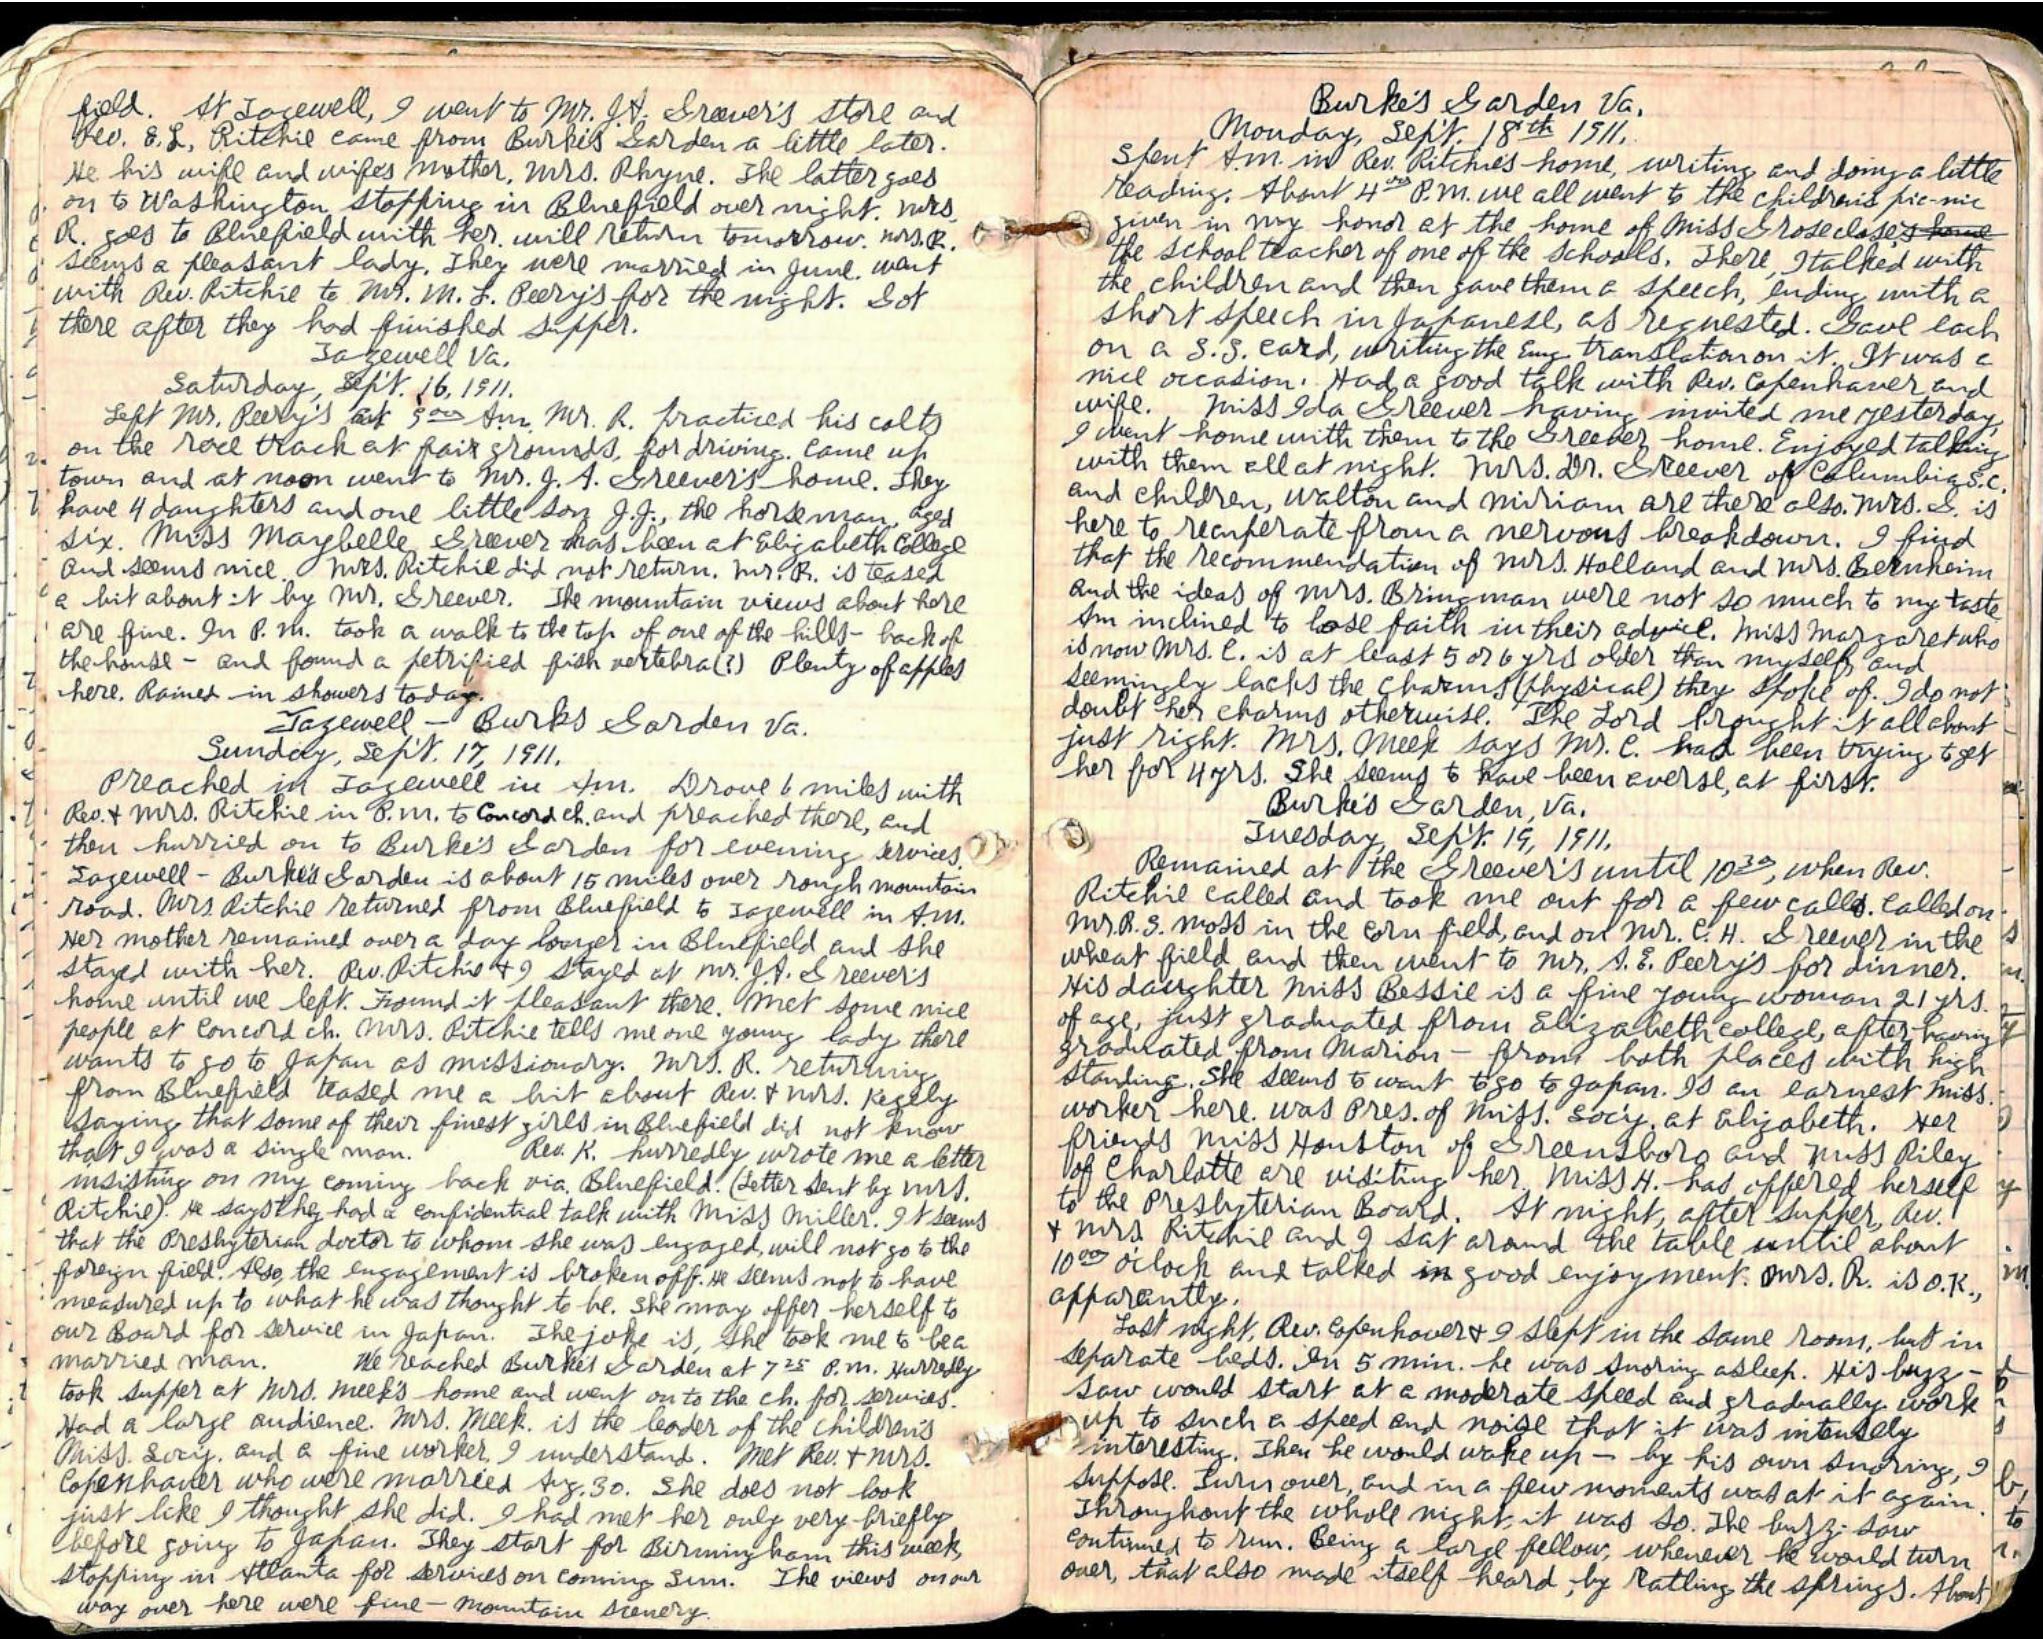

Thursday, Aug. 10, 1911.
 Spent all of A.M. in the shade of the old apple tree in the orchard above the road, writing "Encouragement in Japan". Finished it by noon. In P.M. tried to keep comfortable, wrote to S. C. Miller.

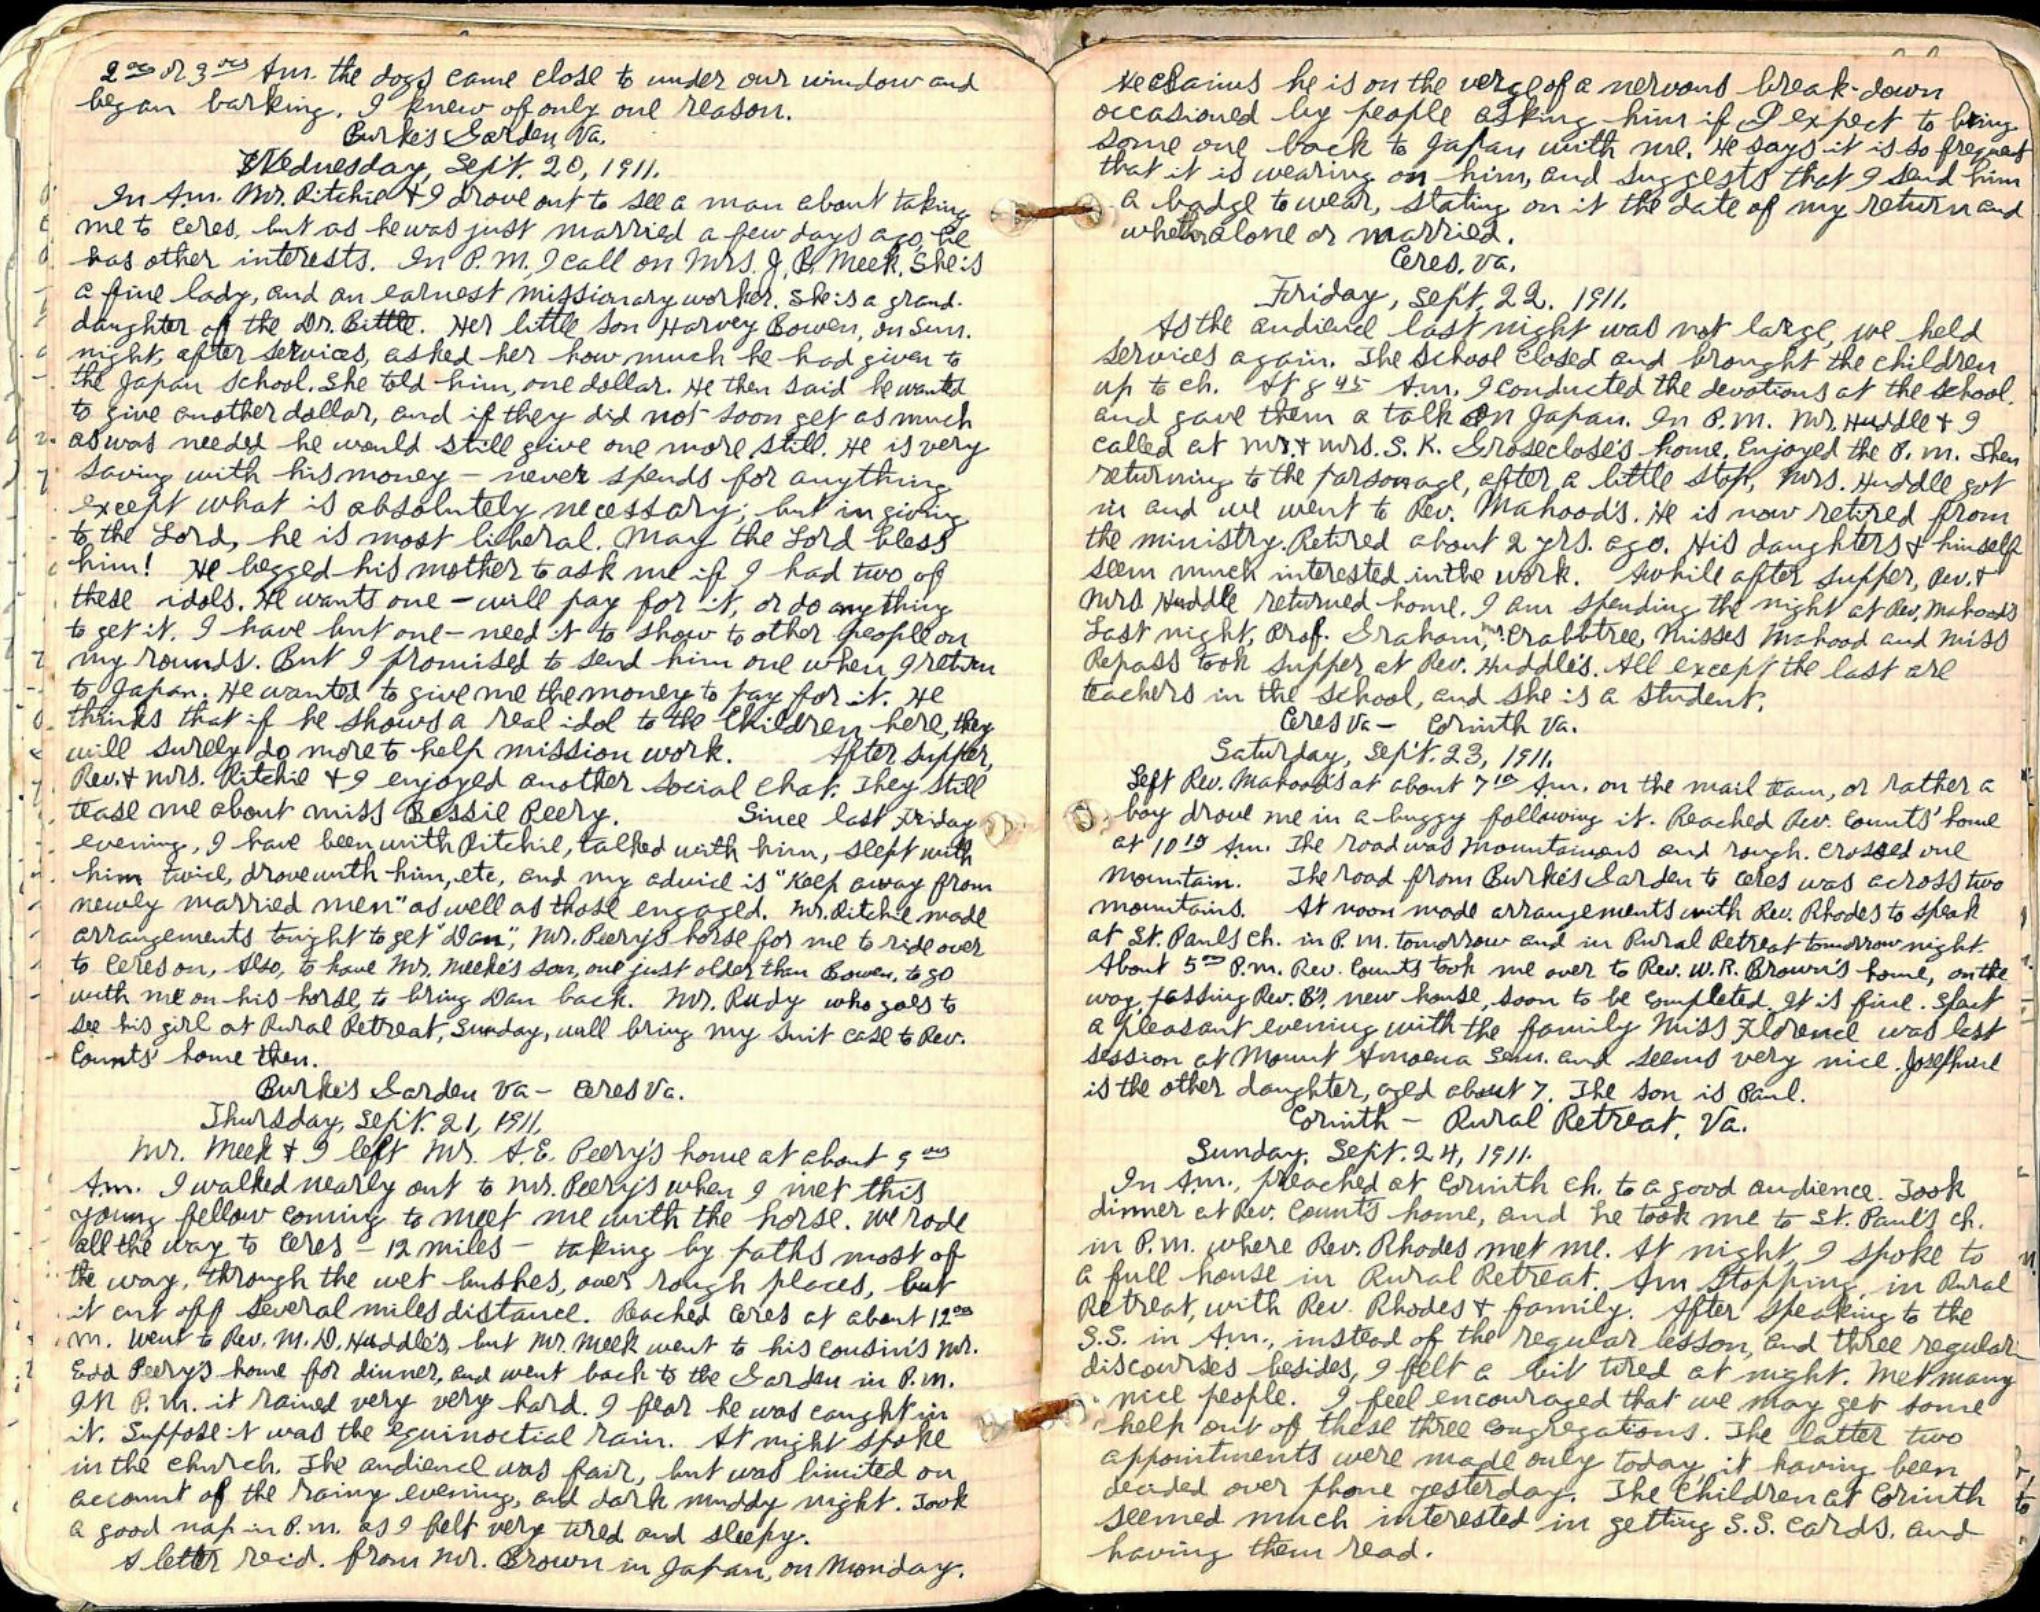

Rural Retreat, Va

Monday, Sept. 25, 1911.

About 9³⁰ Rev. Rhodes took me out in the St. Paul's neighborhood and called on Mr. Oden Neff mowing in the pasture, and then on the Brown family, and then on to Mr. James F. Huddle's for dinner. Secured \$26⁵⁰ today. The Brown was not at home. At night we called on Mr. & Mrs. Eitter. We hope they will see fit to do something. They have no children and the community plan seemed to me to be specially fitted for such a case. They are worth possibly \$2,000.00 or more, a produce dealer, etc. Rev. Rhodes had his annual meeting at 3rd P.M. which prevented us from seeing more people.

Rural Retreat, Va.

Tuesday, Sept. 26, 1911.

Rev. Rhodes & family having been summoned to go to Mytheville today, I drove out to Corinth and Rev. Counts went with me to see his members. We were disappointed in not getting much. Rev. W. R. Brown gave only \$25. and S.S. Cassell did not give anything. Both are well off, especially the latter. At night we reached Mr. & Mrs. Brown's. Here we found Mrs. Rev. Paul Seig and children, Katherine, Paul and Martha. They are nice little ones, Mr. & Mrs. Crookshank, Mrs. Browns & Mrs. Seig's parents are there also. Before getting there, we had to drive across fields.

Rural Retreat, Va.

Wednesday, Sept. 27, 1911.

Left Mr. Brown's in Am. and made two calls, but got nothing. Took dinner at Rev. Counts' home, and in P.M. I drove back to Rural Retreat. Secured \$60.71 in all from Rev. Counts' church. In P.M. Rev. Rhodes & I made a call on Mrs. Buck's, and at night at Mr. H. L. Buck's & Sisters' home where we secured \$100. — an encouragement to recent experience. In going out to Corinth, etc. I used Rev. Rhodes' horse & buggy. E. J. Horn & intended are supposed to have been married today, and to start across the continent, making some stops enroute, before sailing Oct. 17.

Rural Retreat, Va.

Thursday, Sept. 28, 1911.

Rev. Rhodes & I spent the day calling on members in the St. Paul's neighborhood. Secured \$126. Of this but \$100. came from Miss M. V. Lambert. She is a trained nurse working in Richmond, now taking her vacation. She seems a very fine lady about 35 yrs. of age, and fine looking. She completely surprised both Mr. Rhodes and myself when she handed her check to me. He expressed his surprise and she pretended to be offended at his use of the word "surprised". We took dinner at J. F. Kidd's home. Rev. Rhodes' interesting little 18 month old boy's name is Paul.

Rural Retreat, Va.

Friday, Sept. 28, 1911.

Spent today calling on people in and near town. We did not secure many direct results, but several promised to let us know later. Spent the evening after supper at Mr. Phillips' home, north of town. In P.M. we called at his brother's out in the country. Struck each for \$100. but do not yet know what we will get. Have hopes of these we shall at night.

Rural Retreat — Crockett, Va., etc.

Saturday, Sept. 30, 1911.

Left on 8.50 fm. train for Crockett. Soon after reaching Crockett Rev. D. S. Fox took me out to Zion ch. where preparatory services were held. After going into the church, I found that I was expected to preach the sermon. I had suspected it before, and used Rom. 6:23 as my text. After a picnic dinner, the S. School had its exercises. It was a good programme. A little Horn girl sang and recited especially well — "Jesus lover of my soul". I made a 30 min talk to the children then, and gave them the Lord's prayer in Japanese. Rev. Fox & I went to Mr. E. R. Ward's home for the night. Phoned to Rev. Unruher about services with him on 2nd Sun. A number of letters were awaiting me when I reached Rev. Fox's in Am. Dr. Holland seems to have arranged for me to spend 2nd Sun. inock at home. Mother met him and had a talk with him at Synod at Shenandoah last week.

Sunday, Sept. 1, 1911.

I can scarcely realize that Sept. is gone. Where did it go? No frost yet. Preached in Am. to a good audience at Zions and took up a collection of \$49.22 — the largest collection ever received there, it is said. Went to Mr. John Ward's for dinner — the place I was when Synod met here in 1905. Mr. & Mrs. Dobyns were there for dinner. At night, I spoke in the Church at Stillwell Speedwell to a good audience. Took up an offering of over \$12⁵⁰ — the largest ever rec'd. there. Went to Mr. & Mrs. Dobyns for the night. Before going to ch. in the Am. Rev. Fox baptized 3 children at Mr. Ward's home. Mr. Ward has his second wife. By his first wife he had no children. The widow he married for his 2nd has 2 children — Testerman is the name. By this union they have a baby girl. These three were baptized. It was after breakfast, a bit before time to go to church that we all on the porch, Mr. Ward suggested that we had better "dampen" the children's heads. He then brought out a tumbler full of water and asked if that would do. Rev. Fox performed the baptisms, Mrs. W. sitting in the chair holding the infant, Mr. W. standing on the steps.

of the porch (tobacco in mouth?), and the two boys to be baptized standing around. The little fellow 4 yrs old, continued to chew hard on his chewing gum - the same as he was doing from the time we first saw him yesterday 8. m. It was all most unimpressive. After the baptisms had been performed, the 4 yr. old one and I alone on the porch, he said to me? I ain't afraid of the preacher, are you? We took supper at another Mr. Ward's - the one with whom Mr. Ballard ward, the widower lives. Mr. Ballard ward is much interested in missions and has worked up a bit of interest among these people. He has much influence.

Speedwell - Cripple Creek Va

Monday, Oct. 2, 1911.
The day was very rainy, just after breakfast it rained exceedingly hard. Remained at Mr. & Mrs. Dobyns all day instead of making a certain visit we intended. We did call on Mrs. Crump, the depot agent's wife. He was out. In evening we went to Mr. Jonas' home near St. Peter's Ch. Spoke in St. Peter's at night to 30 persons. The rain kept away the people. Wrote some letters in Mr. Dobyns office at his store.

Cripple Creek - Bethany Ch.

Tuesday, Oct. 3, 1911.
Left Mr. Jonas' home in Am. Called on Mr. Rosenbaum in his store in Cripple Creek and on Mr. Grubb in his shop and then went on and took dinner with the three Rosenbaum sisters who had their niece and husband - W.A. Peters living with them. They are interested in ch. work but their nice husband has usurped all their belongings and he is a Methodist, and gives to his ch. as he wishes but does not let them have anything. He had nothing when he came there. Took supper at Mr. & Mrs. William H. Spracher's. Spoke to a good audience in St. Peter's. The rainy looking, cloudy day was unfavorable, however. After services we went to Squire Spracher's for the night. He kept me up talking until 11:35. Rev. Fox got sleepy and went to bed in the same room - we slept in the parlor. Mr. Spracher (young man) and Mr. - furnished good music with their cornets at night.

Bethany Ch. - Crockett Va.

Wednesday, Oct. 4, 1911.
Got up early and started to Crockett at 7:00 A.M. Mr. Spracher & two sons wanting to go to Wytheville this got up early. There is a circus in Wytheville today. 134 tickets were sold at Crockett for Wytheville. If

all the money that was spent for the circus by people of Crockett could be given to the Japan School, it would help us much. It might speak in church in Crockett. The circus detracted from our audience. \$20⁰⁰ was the collection. This makes about \$80. for the charge, so far. They will make it \$100. by the time the other collections are taken up. After services, I went home with Mr. & Mrs. Dix for the night. A fine crisp day. No frost yet. Spoke with Rev. Rhodes & with Rev. Compton over the phone. Rev. Seig's and Mr. Ego D. Brown's father-in-law died suddenly last night. I think I will go to Rural Retreat tomorrow to see Mr. Stuart Neff.

Crockett - Rural Retreat Va.

Thursday, Oct. 5, 1911.
Remained in Crockett until 12:30 noon train. Then went to Rural Retreat. Rev. Rhodes met me at the station. The funeral party met the train off of which I got. It was Mr. & Mrs. Roseclose, the father of Mrs. Rev. Seig. I spent Tues. night last week with Mr. Leo D. Brown where Mr. & Mrs. Roseclose lived. He seemed well then. After Rev. Rhodes conducted the funeral services of a child brought from Bristol, he & I drove out to see Mr. W.S. Neff in reference to the Japan School. He gives \$100. on Committee system. He was 58 yrs. old in Jan. This leaves only \$36. more to raise before we get the \$500. memorial room by this congregation. It is now assured. I may change my plans and go to Wytheville tomorrow instead of going out to see Mr. Bonham at Chilhowie. Am not sure as to when Mr. B. will reach home from Roanoke. In driving out to meet Rev. Rhodes after the funeral, a brush caught in the buggy wheel. I reached out to push it out, and my hat dropped off and the buggy wheel ran on it and smashed it.

Rural Retreat - Wytheville, Va.

Friday, Oct. 6, 1911.
Left Rev. Rhodes in Am. bought a new hat for \$3.00 and left on 8:40 A.M. train reaching Wytheville a little later, getting my bundle of clothes as I passed Crockett. Had left them in the station there. Went to 4th Ave. Hotel. Met Mr. Ballard Ward there. We went out to see new school building, and then called on Dr. Phillips. Will go to his home for the night. (Now 4:30 P.M.) Called on Rev. Umberger in P.M. At 8:30 P.M. Dr. Phillips and I went over to the institute to hear Mr. Stevens, Secy. State Board of Education speak. He made a very good one. Mr. Hubbard, County Supt. of Schools had me to offer my

Wytheville, Va.
 Saturday, Oct. 7, 1911.
 As I had no one to go around with me, I did not attempt to see any of the people today. In the evening went to the teacher's institute, met the two misses McCauley who teach in Rural Retreat and Max Meadows. Also met Miss Mary Keister who teaches in Wytheville. At 3rd P.M. met with Council of St. John's ch. at their regular annual meeting. After the meeting, I tarried a little. I then found that Mr. Brody Morehead went off with my hat. I found him in the store and we exchanged. They were both of the same brand. He seemed much taken down when he discovered his mistake. He then subscribed \$100 to the Japan School, paying \$50 cash. Went to Mr. Huffards for the night. Mrs. H.S. sister, Miss Whittaker was very nice. Had a pleasant evening with them.
 Wytheville, Va.
 Sunday, Oct. 8, 1911.
 Preached at Holy Trinity, in town in Am. and at St. John's in Country Am. P.M. Both pastors being absent. Took dinner at Mr. W.R. Huffards out from town. Mrs. H. claims relationship with me. She was a Henkel, sister to Miss Martha H. Elsie, their oldest daughter and Sarah the other one and four boys, make up their family. Alfred is the youngest one and quite pale. Sarah aged 11, says she will go with me to Japan if her parents will let her. Went back to the Huffards for the night. It is rainy day and small congregations. \$8.25 in town and \$10.00 in the country were scared. Both places promised more.
 Wytheville - Salem, Va.
 Monday, Oct. 9, 1911.
 Had intended to leave for Salem at 9:25 A.M. but Prof. Hart wanted me to speak before his school so I stayed over until 2:40 P.M. Spoke before school in Am. at 9:00 and then Prof. Kejely wanted me to speak on the religions of Japan at 10:30, as they were just studying that subject. So they combined two classes and I spoke to them from 10:45 until 12:00 o'clock. They seemed interested. Mr. Brown Morehead, wife & 2 children also went from Wytheville to Salem. At Radford Rev. Seig sat on. They were going to Salem to the

Board meeting of new women's coll. while waiting at S. Radford, I met Miss Cassell who is going to Clarksburg W. Va. to teach. She knew Mr. by seeing me at ch. Sunday. After reaching Salem, Rev. J. C. Peery insisted on my stopping and taking supper with them. They had Rev. Seig anywhere. I did so. They went and called on Mr. Murakami after which I went over to the W. R. McClanahans, where Mr. & Mrs. Holland are. I find Murakami blue, discouraged and ready to return to Japan. He has been here just one month and he says his head is such that he can't study. Has headaches and can't remember what he reads, etc. Also, the old wound on his back seems to be giving him trouble. He seems to have written me a letter which I have not yet rec'd. telling me about his case.
 Salem, Va. - Roanoke Va.
 Tuesday, Oct. 10, 1911.
 In Am. went over and called on Mr. Murakami. Had an interview with Dr. Morehead and conducted Chapel services. met some old friends, and some new ones. From noon, Dr. Holland compared accounts and discussed many things. Dr. Bachelor of Conn. & I spoke at 4:30 P.M. meeting at 6:45. From the close of this until 10:30 I was with Mr. Murakami again. We talked about various things. He was glad to know the interesting news from Japan. He still wants to go back to Japan, but agreed to try it a little longer. He frequently refers to his wife & child. I do not know if it is all homesickness or not. Having left my suitcase in the corner drug store, I went for it and found the store closed at 10:30. The druggist kindly gave me the key when I went to his home near by, and told me to go and get it. He was very kind. Took the car to Roanoke where I now am, 11:58 P.M.
 Roanoke - Norfolk Va.
 Wednesday Oct. 11, 1911.
 Left Roanoke on 1:30 train taking pullman. Reached Norfolk at 8:45 A.M. - a little late. Mr. Lauterbach met me at station and took me to Mr. Swink's store where Rev. Cox afterwards met me. Mr. Swink says he roomed with my brother Jacob when he was with the So. Ry in Norfolk. Went to the Luth. ch. and spoke to an audience of 8 women.

Just as I was through, a lady from China—a Deaconess came and spoke also went to Hotel Sorraine until evening. Did a bit of writing while there. Sent off money order to Meth. Publ. House in Tokyo, for \$1.34, in payment of 2000 S.S. cards. This settles all my bills with them.

Inquired about traveling across Trans-Siberian Ry. Bought some Spoons of Norfolk. I think I now have about 6 such of different places. It was a rather rainy day. The women had a big luncheon at noon. About 600 or so attended and others had to be denied. In evening Rev. & Dr. Cox brought me to Mr. & Mrs. McDaniels where I now am. They have four interesting little children. Paul, Margarite, Edwin and Marie.

Norfolk,

Thursday, Oct. 12, 1911.

Rev. Cox called in A.M. for a little while. Wrote some letters, etc. In P.M. walked down town. This is Columbus day. The Italians were celebrating. At night, Rev. Cox & I called at Mr. Paul's home on 30th St., Mr. John McDaniels, with whom I am staying is living at 416 - 29th St. Five people. Made arrangements with Rev. Shuey at Portsmouth for services Sun. evening. Phoned to New Port News about services Sun. P.M. or sometime later.

Norfolk Va.

Friday, Oct. 13, 1911

Went down town with Rev. Cox in A.M. and met Mr. Thomas who took me out to make some calls. The only cash we got was \$5.00 from Mr. John Lesner, 40 Washington Ave. He was sick bed with ecema—a great talker who would not let me talk enough to present the cause. I wrote home to have a prescription filled for his ecema. He was a rough old fellow, pretended to be very pious. He said he tried to get his wife to go to church but she would not. I don't know what she is, if she is a Jew or what, never asked her, don't care what she is just so she waits on me and washes my sores. He finally said he thought she was a Jew. He said he was ready to die any time, whenever the "old master" said fit to take him. He gave \$5.00 to get rid of the cause. We then called on a young man in the brewery who, who raised against mission work and opposes it. No wonder, since he is making stuff to degrade people in his own land! We did not find most of our men at home

where we called. Had a pleasant call on Capt. Carlson in P.M. After supper Mrs. Swink took Mr. & Mrs. McDaniels & I auto riding. After returning, Mr. Cox & I called at Mr. S. S. Flickinger's home. Found them nice people. He has a jewelry store, is a son of a Ruth minister, who is now retired in Washington. He lives on 30th St., 300 block. He has two nice boys about 12 & 14 yrs. old. Mr. McDaniels went into N.C. today to buy timber. He deals in piles, etc. Rec'd express package containing overcoat, suit, under shirts, etc. from home. The overcoat just came in time for use in the auto ride. Rec'd. a nice Norfolk letter from Miss Virginia Lambert, Crockett, Va., in recognition of the certificate for share in Japan School I sent her.

Nice day.

Norfolk, Va.

Saturday, Oct. 14, 1911.

Spent the day variously. Walked down town in P.M. Sent order for Libraflex Razor Straffer, at special price of \$2.00. Regular price is \$3.50. After coming back, I was phoned to to go back down town and let the "Saladmark" take my picture for publication in Monday morning's issue. They snapped it on me twice. At night, Mr. & Mrs. McDaniels had a long talk, until 10:30.

Norfolk - Portsmouth - Norfolk Va.

Sunday, Oct. 15, 1911.

Preached in First Eng. Luth. Ch. Norfolk in A.M. to a good audience. At night, Mr. McDaniels went with me over to Portsmouth, where I spoke in Rev. J.W. Shuey's church. After services Mr. McD. & I spent some time with Rev. & Mrs. Shuey in their home. Returned about 11:30. Took a much needed nap in P.M. Partially overcame a headache. After services at night, met the two ladies, Miss Roper & Miss Brooks and the two young who were with them at home during the summer.

Norfolk, Va.

Monday, Oct. 16, 1911.

Went down town in A.M. taking 2 \$1. pants to be pressed. Wrote a letter or two, etc. In P.M. wrote out a good part of my sermon on Acts 1:1-11. Will try to finish it tomorrow. A letter from J. Murabari. He now agrees to try it for another month at Roanoke College. A letter from Miss Katherine Lichtenwanger contained check of \$25. for Japan School. At night called with Mr. Cox at Swink's and at Mr. Flickinger's. Little 6 yr. old Margarite McDaniels today asked me if

I was married; and then asked me not to get married until she did, so that she could be my wife. She said she would wash dishes and do the work for me. She is a loving little girl. Mr. Jones, the Rev. Mr. Secy. who crossed the Pacific on the Shawmut with me in 1905 called me up today and invites me to take dinner with him tomorrow evening. He was Secy. at Illinois P.I. but returned after about a year. He is now in Portsmouth. Cousin Mrs. C.C. Moore wrote me inviting me to stop with her & Mable when I come to Newport News Wed.

Norfolk - Portsmouth - Norfolk.

Tuesday, Oct. 17, 1911.

Spent the AM. writing, etc. And about 2:45 P.M. I went over to Portsmouth called on Cousin Pauline S. Bowman 727-5th St. and on Cousin Hannah Booth. Then at about 6:00 P.M. I met Mr. D. Burr Jones at the ferry and went with him to his home. There met Mrs. Jones, their two little daughters, and Mrs. Jones' mother, Rev. & Mrs. Shuey also took supper there. It was a most pleasant evening. Mr. & Mrs. Jones & I having crossed the Pacific together, we reviewed many interesting events that happened. Returned home at little before eleven at night. Began to rain about 8:00 P.M. Receipts at the base-ball game between New York and Philadelphia today were over \$75,500. Nearly 40,000 people attended. If people were that anxious to do foreign mission work, I could return to Japan soon. What a shame.

Norfolk - Newport News, Va.

Wednesday, Oct. 18, 1911.

Did writing, etc. in AM. and in P.M. after making a few calls with Mr. McDowell, went over to Newport News. Went to Cousin Willie Moore's 320, 27th St., and Cousin Mable McCorle lives next door. Went to ch. at night and spoke to 25 people. An old black cat persisted in beating the floor with her hind legs as she scratched her side. Mrs. Stauffer and Mr. Lang seemed much interested our cause. The former gave me \$5.00 for the school. They are talking seriously of supporting a theological student in Japan at \$72. per annum. Mrs. C.C. Moore has two children - two boys - Oliver about 13 yrs. old, and Robert 2 yrs. old. Mrs. McCorle has three girls, one 7 other 6 and another 1 1/2 about.

Newport News - Norfolk Va - Wilson, N.C.

Thursday, Oct. 19, 1911.

Mr. McCorle kindly took me through the navy yards at Newport News. He and Mr. Moore both work there. The plant, without supplies on hand, is valued at 20 million dollars. Saw the "Texas" being built. It is to be 27,000 tonnage. Contract price \$5,000,000. Beside one million more for guns, etc. which this yard does not put on. The yards have been here for 20 yrs. and are the largest in the country. It is interesting. Left Newport News at 12:50, reached Norfolk and left on 3:30 launch for Atlantic Coast Line, and arrived at Wilson at 9:45. Am now in Imperial Hotel, will hunt up Cousin Bessie Barnes in the morning. Was too late to call tonight. Mr. McDowell met me at the car and went with me to the S.C.L. wharf, after calling on Mr. Flickinger at his jewelry store. He subscribed \$20.00.

Wilson - Selma N.C.

Friday, Oct. 20, 1911.

About 10:00 A.M., I called at Cousin Bessie Barnes but was informed that she went to Raleigh this AM. and would not come back until night. Left my card. Left Wilson at about 2:30 P.M. but missed connection at Selma, so had to wait there from 3:30 until 12:00 at night. Before leaving Wilson, I had to make arrangements about my laundry. Sent it out in AM and it was to back by 6:00 P.M. Left the money for it, and the Imperial Hotel will send it to me at Lincolnton N.C. While at the Merchant's Hotel in Selma, had a friendly talk with the hotel folks after supper - a number of guests and all made a nice circle around the fire place. They seemed nice people. The hotel keeper's daughter seemed a bit interested in Japan, especially when she found that I was a single man. Before leaving the hotel, I found that the overcoat supposed to be mine is not mine and mine is where? Either some one intentionally exchanged with me, or else I made the mistake when I left Mr. McDowell's home. Will write him about it.

Selma - Charlotte - Lincolnton N.C.

Left Selma Saturday, Oct 21, 1911.

Left Selma at 12:45 last night, and after 2 hrs. play at Raleigh, reached Greensboro at 6:30 AM. changed cars and came to Charlotte where we reached at 12:00 instead of at 11:00. At Greensboro, the largest man I ever saw sat on the train and rode as far as Charlotte. His wife(?) was with him. She also was big but not to compare with him. Am now in the Seaboard station at Charlotte, on a 3:00 hour wait for my train. Fine weather. Cotton has opened nicely. Only 8cts per lb now - quite different from 15cts a year ago. The revolutionists in China seem to be making considerable progress against the Manchu rulers. I would like to see the revolutionists win out, but fear they will not be competent of government by the people, & all, even if the throne falls.

Lincolnton N.C.
 Sunday, Oct. 22, 1911.
 Preached P.M. and at night in ch. hotel. It rained all day until about 4 P.M., and remained cloudy and threatening all through. Had a rather small audience both times. Took dinner with Mr. & Mrs. C.H. Rhodes.

Lincolnton N.C.
 Monday, Oct. 23, 1911.
 Made a number of calls before noon and in P.M. Rev. Hitz went with me to see Mr. & Mrs. W.S. Costner, who gave \$50. In evening went with Mr. L. Little to his home at Salisbury. I find him and his wife very cordial. She was Miss Florence Rhine, daughter of Mr. Fabian Rhine.

Lincolnton N.C.
 Tuesday, Oct. 24, 1911.
 After leaving Salisbury at 9¹⁵, I went with a man, a stranger to Southside to see Clarence Little, and then took the 10¹⁵ train for Lincolnton. On it, I met Rev. John Hall of Rev. & Mrs. Bell. Rev. Lohr met us at Lincolnton, and took us out to his home for pastoral meeting. I rode out with Rev. J.C. Deyo, Revs. Hitz, Hall, Boyer, Bell & I were there. The chief thing done was to eat dinner, as we had to leave at 2¹⁵ P.M. having reached there only a little before 12⁰⁰. Rev. Lohr, promises to get me some specimens of different stones, etc. First frost.

Lincolnton - Charlotte N.C.
 Wednesday, Oct. 25, 1911.
 Made some calls today, but realized no results. Rev. Hitz & I took dinner at Rev. Hitz's Mrs. Ingle's home. It has been a day of depression to me, only \$60. Realized by my trip to Lincolnton. The Seminary in Columbia and the Yoder memorial at Lenoir College were ahead of us, and scared the people. Sent the overcoat to A.R. Josseth, Durham N.C. I should have received mine yesterday but it had not yet come. I fear he means to get both coats. It was very small in him to have me pay for his telegram Sunday, when all the fault was his. He took mine off at Selma. Second frosty morning. Left Lincolnton at 5⁵⁰ P.M. Arr. now in Central Hotel Charlotte.

Charlotte - Mt. Pleasant N.C.
 Thursday, Oct. 26, 1911.
 Left Central Hotel and after taking lunch at restaurant, left Charlotte on 6⁰⁰ A.M. train. Reached Mt. Pleasant by mail coach from Concord at 9⁰⁰ A.M. Preached at St. Martin's ch. in Am. Secured but one contribution for school Mr. Martin Boyer gave \$25.00. Others will give something but I do

Not know how much. Drove back with Rev. L.D. Miller for dinner. Rev. Goodman called in P.M. enjoyed reviewing old college days with Rev. Miller at night. No the night last night was very noisy in the hotel, I will enjoy my rest tonight. The demonstrating with the cotton picking machine near Charlotte seems quite a success. If a little more success can be gained for it, it will make a great revolution in the Cotton pick industry as the cotton gin made when it was invented.

Mt. Pleasant N.C.
 Friday, Oct. 27, 1911.
 Preached at Mt. Pleasant ch. in Am. after first speaking to the students at the Collegiate Institute secured \$1. after services. At night attended contest of Institute boys - 3 contestants - for delegate to go to Durham for state contest. It was good.

Mt. Pleasant - Salisbury N.C.
 Saturday, Oct. 28, 1911.
 Spoke before students of Mt. Amherst Seminary in Am. They asked questions, etc. It was interesting Mr. & Mrs. Miller, with whom I have been staying, & I took dinner at Rev. Goodman's. His father-in-law and two Mrs. Deacons from Statesville came here in their auto. In P.M. left in hack for Concord. Took supper at Rev. C.P. Langhans where I met Rev. Cronk. Reached Salisbury at 7³⁰ P.M. Dr. Kinard met me at station. Two letters from Mr. Murakami. He is no better satisfied now than before. I think we will have to send him back to Japan.

Salisbury Spencer - Salisbury N.C.
 Sunday, Oct. 29, 1911.
 In Am. preached in St. John's ch. Salisbury to a large audience. In P.M. in ch. in S. Spencer, and in ch. at Chestnut Hill at night. Took supper at Mr. & Mrs. A.W. Ninecoffs. Tired. Alderman & Mrs. L.D. Peeler took supper there. Miss Suitor (?) Mrs. W.G. Meel is also there.

Cronk and Mr. Pratt arrived at noon. Met with Board of Trade in P.M. to try to get them raise \$1000. toward expenses of Lutheran missionary convention here in Feb. I met with them. Warner today. Looked at school auditorium

Salisbury N.C.
 Tuesday, Oct. 31, 1911.
 Made some calls today in behalf of the cause & also attended Pastoral Association from 12th to 2nd P.M. There were 15 pastors present. Ladies of the congregation served a dinner in S.S. room - a surprise to the P.A. About \$145.50 was secured while here - Havench, Spencer, & Johnsch. At night the young people's Socy. had a halloween party. It was rather great. After going to antigen Mass meeting which was to consider raising \$1000 for expenses of Lutheran ~~Japaners~~ Miss. movement in Feb., Dr. Kinnard & I went to the Halloween party. While there met a number of persons. Miss Virginia Busby, the organist, seems nice. Miss Beulah & Kehus, one of the choir, seems a bit interested in Japan. The Mass meeting did not develop - only about 15 persons came. Met Mrs. J. F. Preston, Kuang Ju, Korea, 203 W. Bond St., Salisbury N.C. He is here interesting young men in becoming missionaries. He seems a brother.

Salisbury N.C. - Savannah, Ga.
 Wednesday, Nov. 1, 1911.
 Left Salisbury at 3:50 A.M. Reaching Savannah at 1:15 P.M. Went to the ch. of the Ascension. Met Rev. M.O. Krebs on the street car. At night met many old friends of the cong. I am now with Rev. Hoppe in his home. After P.M. session, the synod was taken a ride up and down the Savannah River on Capt. Paulsen's tug. Rev. Carl Schaeffer preached at night on missions. I have a boil on the thumb and on the forefinger of my left hand - are quite painful. The heat breaking out on my nose is becoming rather bad. Bichloride of mercury seems to do little good this time. Miss Georgia Kuck, 106 Taylor St., Savannah Ga. Miss Schroeder who was at Agnes Scott College seems nice.

Thursday, Nov. 2, 1911.
 Attended synod all day. Met Miss Georgia Kuck in P.M. She seems real nice. Met Miss Georgie & Schroeder also. Had met her in Atlanta before, while she was attending Agnes Scott College. She is a Utsukushii onna. Synod adjourned at 4:15 and went on an auto ride and then to the German club where it was served with supper by the congregation. It was fine. There were 14 auto loads. Some ladies also went. Mrs. Cronk tells me a a Miss Anette - Somebody, she recently met north, a graduate of Vassar and one who took all honors at school whom she wants me to take to Japan. She told it at supper, and Rev. Hoppe made statements as toastmaster, implying they I was engaged to her. - I have never seen her. At night Mr. Cronk & I spoke on missions to a good audience. As Rev. Hoppe & I got off the car near church our it run over a fine looking dog.

Savannah Ga.
 Friday, Nov. 3, 1911.
 Attended synod all day. Business became rather lively and some things were said that would have better not been said. Rev. C. J. Phillips gave an interesting sermon on missions of night - text from Job. At about a quarter of 12 o'clock night, I took carriage to station and entered my berth.

Savannah Ga. - Orangeburg S.C.
 Saturday, Nov. 4, 1911.
 Reached Orangeburg at about 11:30 after having taken breakfast at Charleston. I remained in the sleeper of the T.C.L. until about 7:30 A.M. the Southern train leaving for Columbia at 8:00 A.M. at Branchville Mrs. Rosecloth and her daughter sat on. Mrs. L. informs me that out of their Women's Societies - the one at Mt. Pleasant ch. - has made a bed quilt for me. I was the only missionary that ever visited them. She has it with her, for me. At 3:29 P.M. I went to the ch. where the women began to organize their convention. The young people withdrew and went to Mrs. Bryant's house where they organized the young people's Miss Union. I went with them and helped to form a constitution. They held a session at night also. I was just at the St. Joseph's Hotel. Met Mrs. Habenicht, Mrs. Earle and Miss Simpson are also here. The night session was good. All the money raised this last amounting to about \$500, or over, was appropriated for memorial room in Kyushu Gakuen.

Orangeburg, S.C.
 Sunday, Nov. 5, 1911.
 Rec'd. a letter from F. S. Miller. Kyushu Gakuen opened in Sept. with its full number of students, he also states that Mr. Kubo married Matsumoto San sister soon after reaching Japan. I thank God to know this. He had previously broken the engagement, to the almost heart-breaking of the girl. I had feared the situation between Kubo and Matsumoto would be unpleasant on this account. God brings about things in mysterious ways. Let his name be praised! I preached sermon before convention in Am. and also spoke to the children at 8:45 A.M. After P.M. services I walked to Mr. Ziegler's home with Miss Roselyn Sommer. She had asked for a confidential talk with me yesterday. She was wondering about offering herself to some other Board as our S. is not yet ready to use her. She says she is 22 yrs of age and the doctor gave her a "modium" health certificate says she is a little nervous and has some indigestion, but otherwise well. After talking it over, she decided to hold on and work with

Orangeburg S.C.

the young people for awhile. The night services were in the hands of the young people. I took supper at Mrs. Jelger's home with Miss Sommer, and her friend from Newberry, Miss [unclear].

Monday, Nov. 6, 1911. Raining. Attended convention all day, very interesting meetings. At night, after Mrs. J.H. Harms' paper, Dr. Harms & Rev. Crouch were to have a store African lecture. Crouch & I worked on the electrical appliance from middle of P.M. until night, having three other men to help us — one the man running the power house, and we were not able to get the power to work. Then we finally were able to get the alcohol light to work, but the pictures were not so good. As it turned out, I had to do just about all of the lecturing, as I pressed the bulb, to keep pressure on the alcohol. Mrs. Crouch, Mr. Crouch and I had lots of fun out of it. The people, however, thought it pretty bad. Rained nearly all day.

Orangeburg, S.C.

Tuesday, Nov. 7, 1911. Attended convention all day. Took dinner at Mr. & Mrs. Wertz. Miss Bertrude Simpson was given a farewell as she goes to Africa, starting about Dec. 1, under the Gen. Synod Board. They had Mrs. Crouch to take me out of convention in P.M. for the purpose of talking about something pertaining to me, I do not know what it was.

On the train Saturday, Mrs. Grose close told me of a bed spread the people at Mrs. Pleasant ch. Ehrhardt, I.G.C. had made for me. I got it today. It is fine, with many names embroidered on it. I certainly appreciate it as coming from them. They say I am the first missionary that ever visited them, and that was one reason why they wanted to give it. The session at night was good. Mrs. Crouch's talk and Miss Lula Habenicht's reading were both very good. I will not likely have the privilege of meeting with these good women again for eight years. I was more than ever before impressed with the excellency of character of Dr. Holland this AM. Dr. Patterson had spoken and as these home mission speakers usually do, he could not speak with comparing it with the foreign field. I felt like replying to his position, and Suffolk would have done so, had I had Dr. Holland's place. But he simply took up the facts produced by Patterson and in such a lovely way, endorsed them and led on to the foreign work. Such a spirit that no one could help admire him. He is equally interested in both and does not let any petty differences interfere with the cause.

Orangeburg S.C.

Wednesday, Nov. 8, 1911. Spent all the A.M. and part of the P.M. — writing letters etc. Have about caught up with it. In P.M. Dr. Holland called at the hotel and we made a full reckoning of funds. We find we yet need \$5723.80 to complete the fund. Wrote letters at night. Rainy day.

Orangeburg — Lone Star S.C.

Thursday, Nov. 9, 1911. Left Orangeburg S.C. on 7¹⁵ A.M. train over Coast Line for Lone Star. Rev. Boland met me at the station, and took us to his home you we now are. When I went to settle up at the hotel as I left, I found I was the guest of the hotel for Convention. I preached at 10 A.M. at Synod, in Dr. Wilson's place, on 1 Cor. 16:9. Attended Synod all day. Met many old friends, and some new ones. A letter from Dr. Mukahami states that he is beginning to feel better. Rec'd. a card from Mrs. E.J. Horn Jr., sent from Honolulu on their way to Japan. A letter from Mother. Rec'd. Catalogue from Agnes Scott College, the school Miss Ann Shroeder attended last year.

Lone Star S.C.

Friday, Nov. 10, 1911. Attended Synod until about 3³⁰ P.M. when Rev. Oxner & I drove over to St. Matthews ch. to attend the meeting of his Ladies Miss Soc'y. I spoke to them. Rev. Lough was ordained this P.M. I have only a part of the sermon. Rev. Reed preached it. Rev. Boland lost the key to his front door in evening.

Lone Star — Columbia — St. Andrews ch. neighborhood.

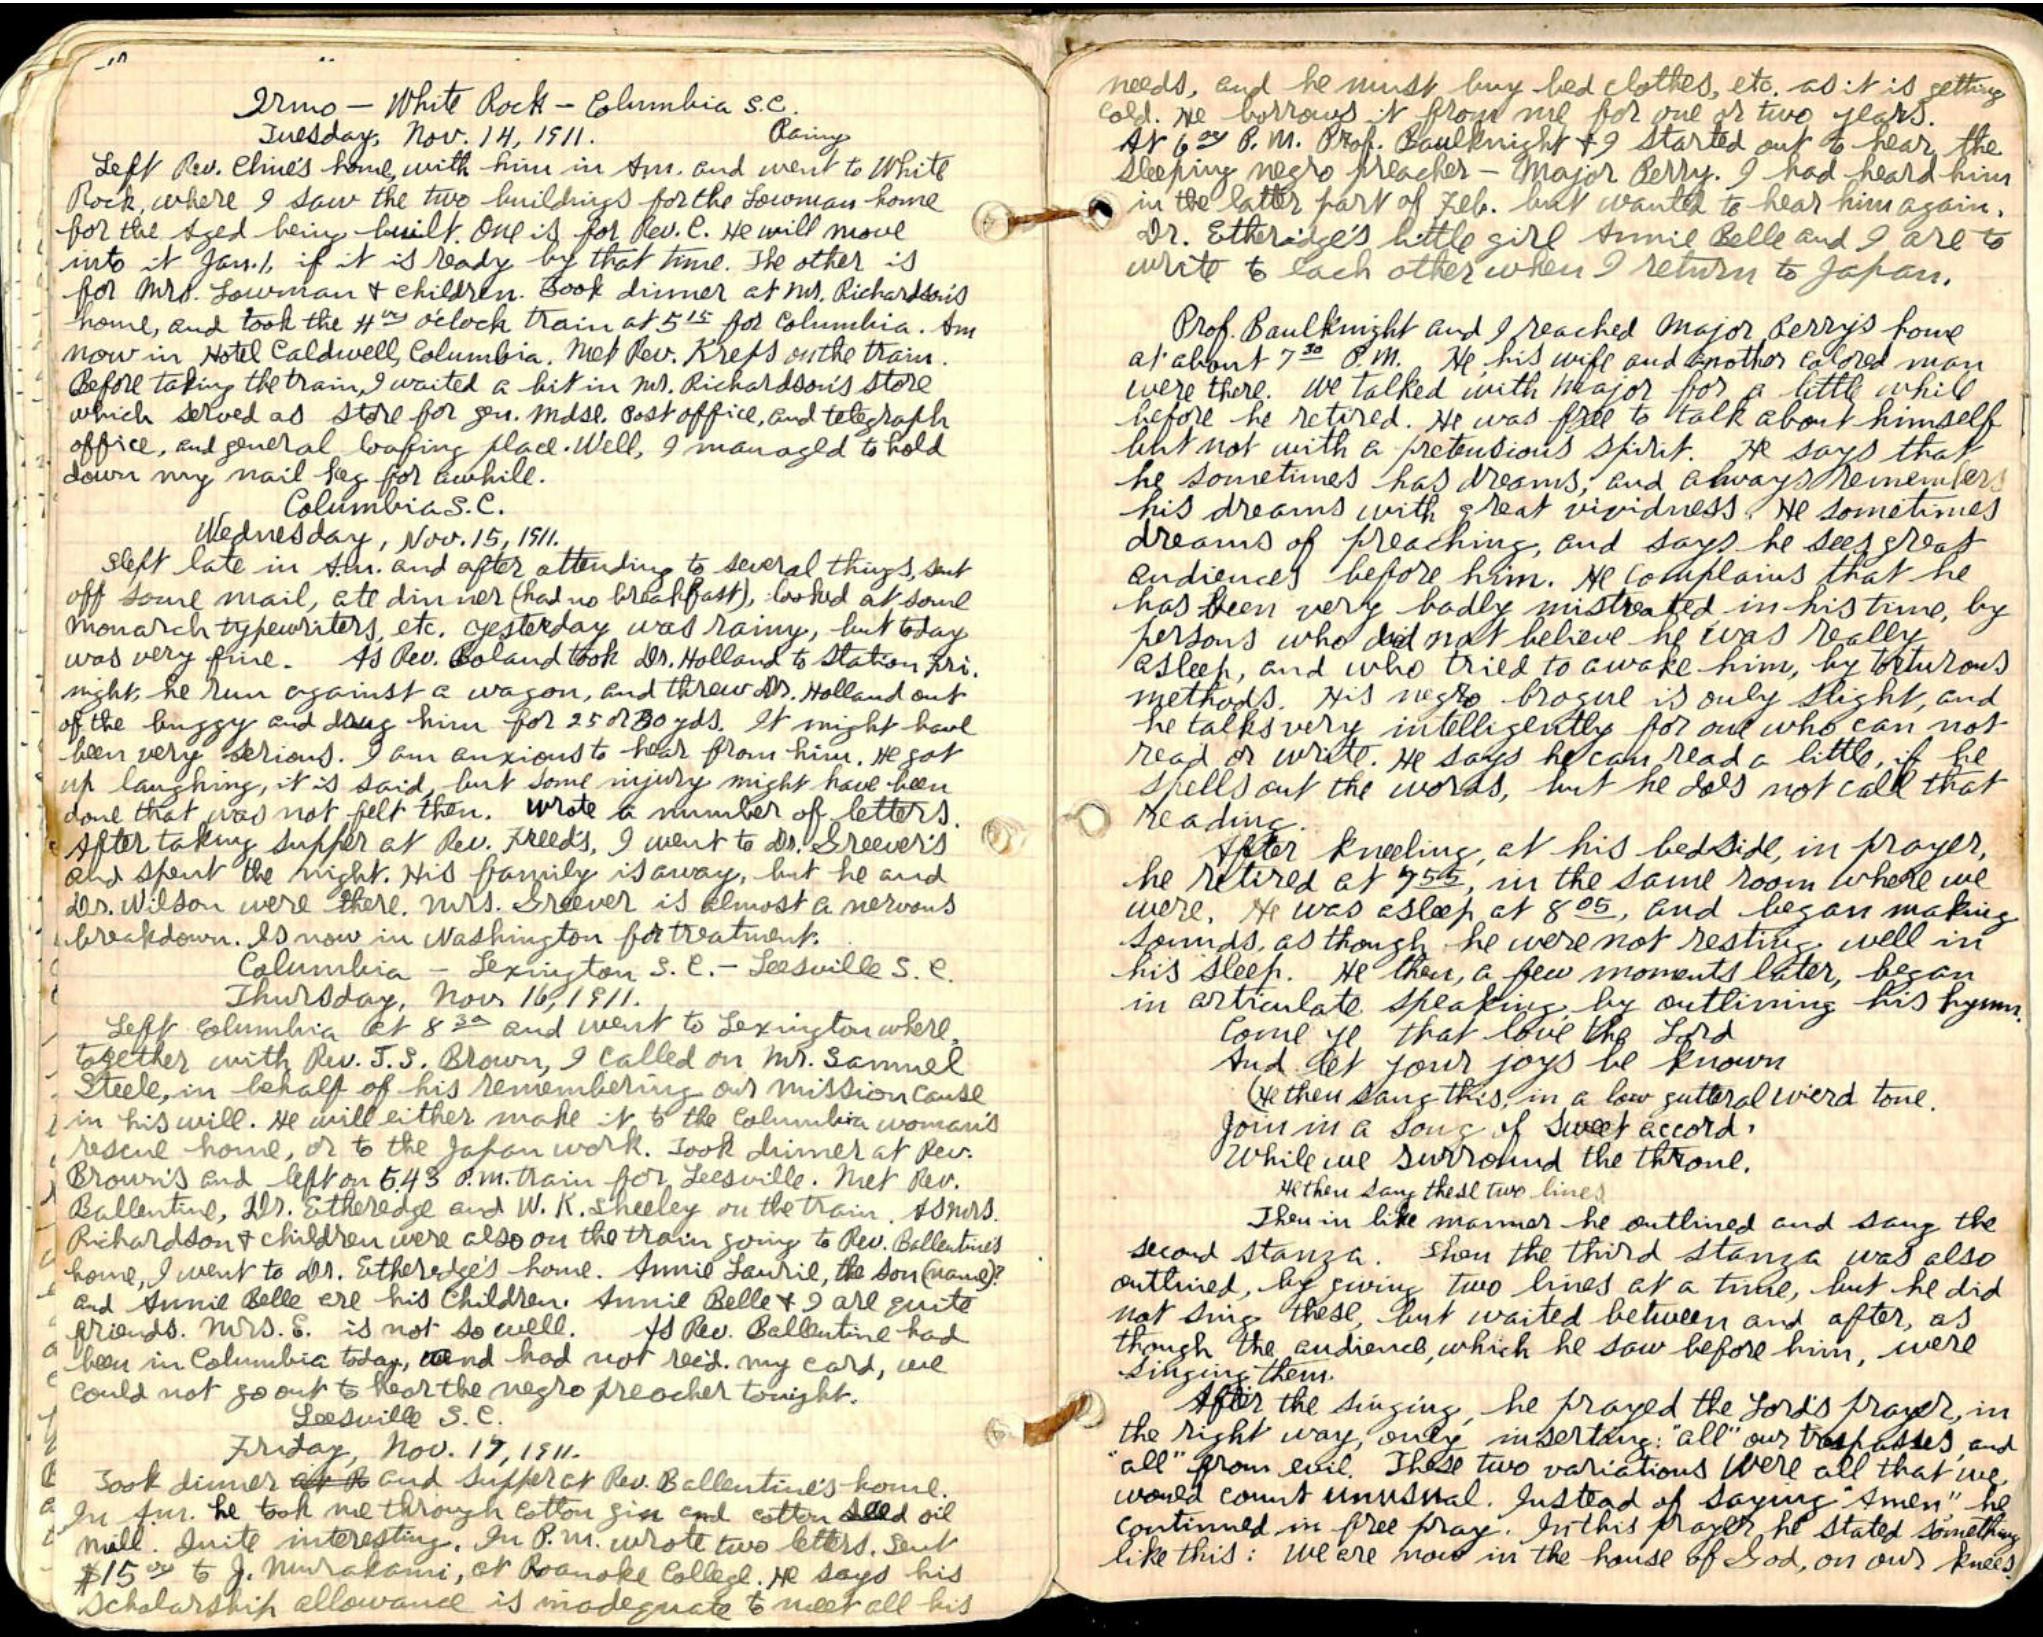

Saturday, Nov. 11, 1911. Rev. Cline & I left Mr. Jeff. Buycik's home at about 6³⁰ A.M. took the train at Fort Mott at 12³⁰ and reached Columbia about 1³⁰ P.M. stopped at Publication House and there I went out to Mr. J.S. Huffman's with a young Mr. Huffman, and Rev. C. came out later.

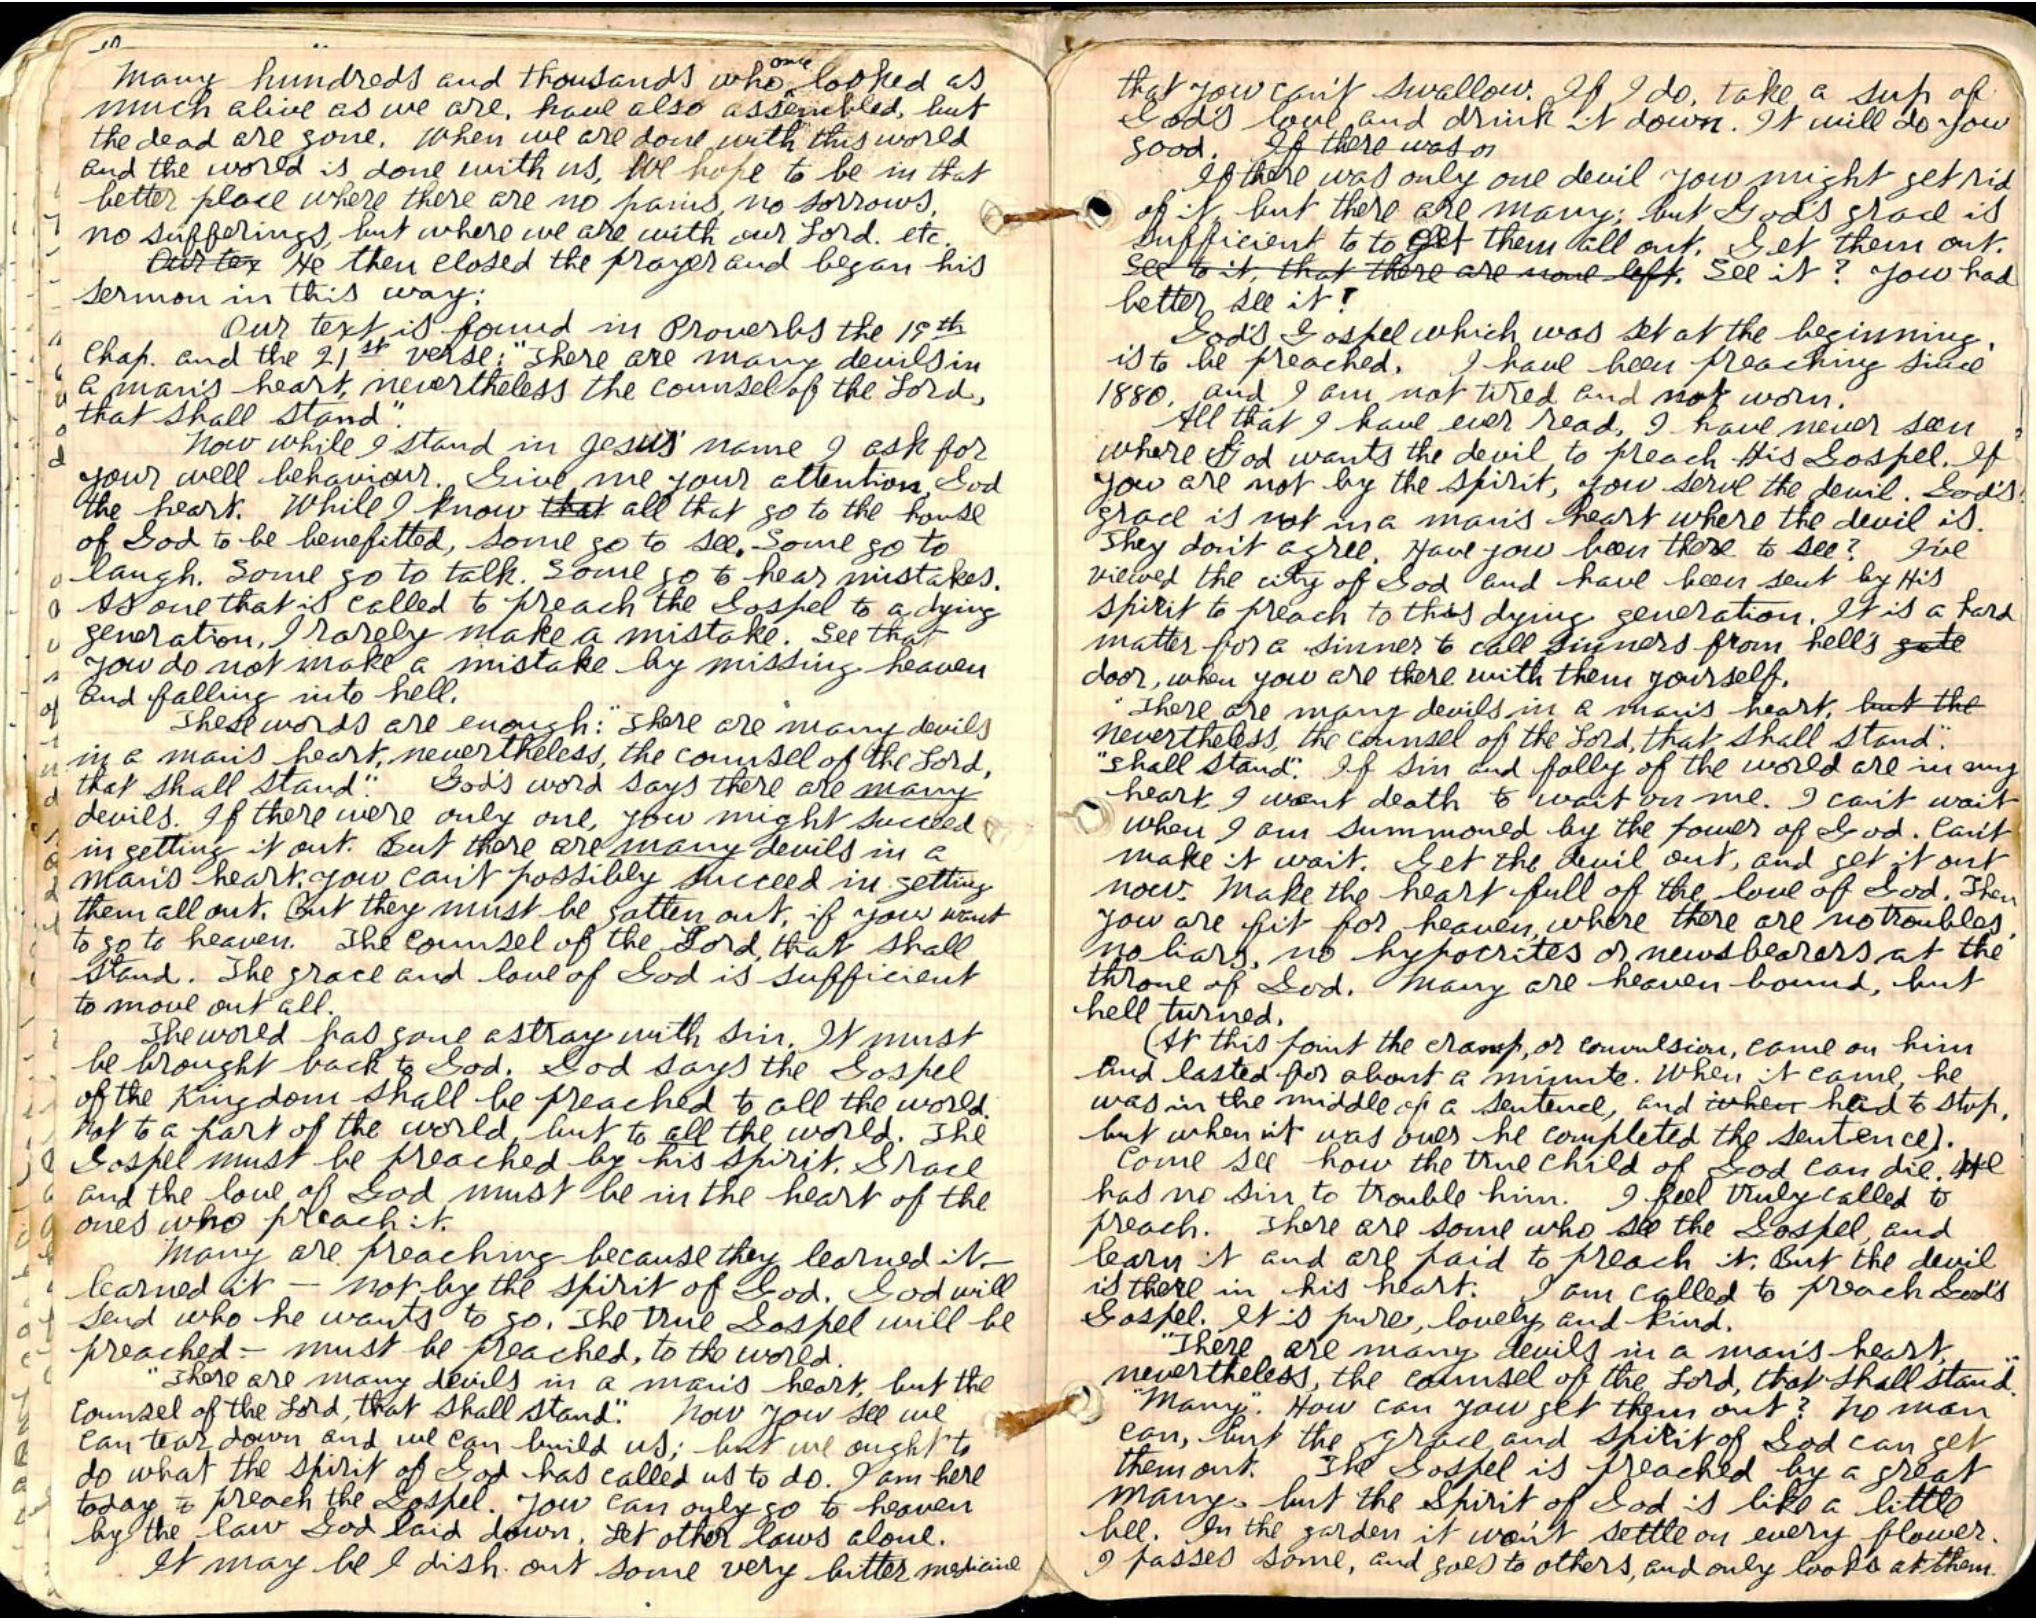

St. Andrews ch. — Grims S.C.

Sunday Nov. 12, 1911. Preached at St. Andrews ch. in AM, took dinner with Rev. Cline at Mr. S.R. Younger's home. Bennie Cline met Rev. C. & I at the ch. to take us home. After eating dinner, we three started to Rev. Cline's home. It was a damp rainy day. Roads very bad.

Grims, S.C.

Monday, Nov. 13, 1911. Wrote letters in AM. and in P.M. Bennie & I drove out and made 9 calls. Secured only \$10, but possibly some others will give something yet. Telegram states that Dr. G.C. Moser of Hickory N.C. died yesterday at 12³⁰ o'clock. Will be buried tomorrow. Cold weather. There was ice this morning, but there will be more tomorrow. Sudden change.

but finally settles down, on a little flour. God's
grace goes to gamblers, liars, drunkards, hearts
but it does not enter. It goes to some other heart
and that one lets it in. Then there is no room there
for the devil. Many devils were there, yes many.
I feel today, as one called by the spirit of God
not by man, not by education, to preach to all
the world.

Take this Bible. Read it from Genesis to Revelation
and from Peter to John, and where does it say preach
the gospel on the seventh day? And be paid for it?
Can you keep the seventh day and make your
support on it?

Listen good. You send a vessel to the fountain. It
may come back full, but the water is nasty and
dirty, you throw it away. It is not good. The
gospel has been preached, where does it come from?
Out of a bad, nasty heart? If it comes out of
an evil heart it can not be pure and true,
but if it comes out of a pure heart, then it is by
the spirit of God. Do you believe it? You had
better. If you will not believe it now, you
will at the bar of God, when it is too late.

Some preach the gospel because the sunshine
is hot. Some preach it to fill the pocket. Some
preach it because they have learned it. They
are man sent preachers. Converted in the eye
but not in the heart. If you are not born of the
spirit of God, you are not working for him.
The gospel is preached by many others. A man
sets his mind what he will do, when he is growing
up. One decides to be a carpenter, one becomes a
mechanic, one a doctor, and another a lawyer.
This one decides to be a preacher. But it is his
own make up - not God's. One must be sent by
the spirit of God, or he can't convert souls. How can
he do it?

Since 1880 I have not lost more than one or
two months. I have preached every day up to the
present hour, with this exception. It is God's gospel.

"There are many devils in a man's heart, nevertheless
the counsel of the Lord, that shall stand." Yes it will
stand. If a sheep is in the pit on Sunday to get
it out. But you must not let it stay there
until Sunday. There used to be what was
called local preachers. Now there are two kinds:
Local preachers, and loafing preachers - loafing
from house to house. They leave the sheep in the
pit. Wait until Sunday and then preach. God's

Gospel was from the beginning and was pure
but it is now adulterated. People twist it down
to suit. You are not to preach it just when
you get ready.

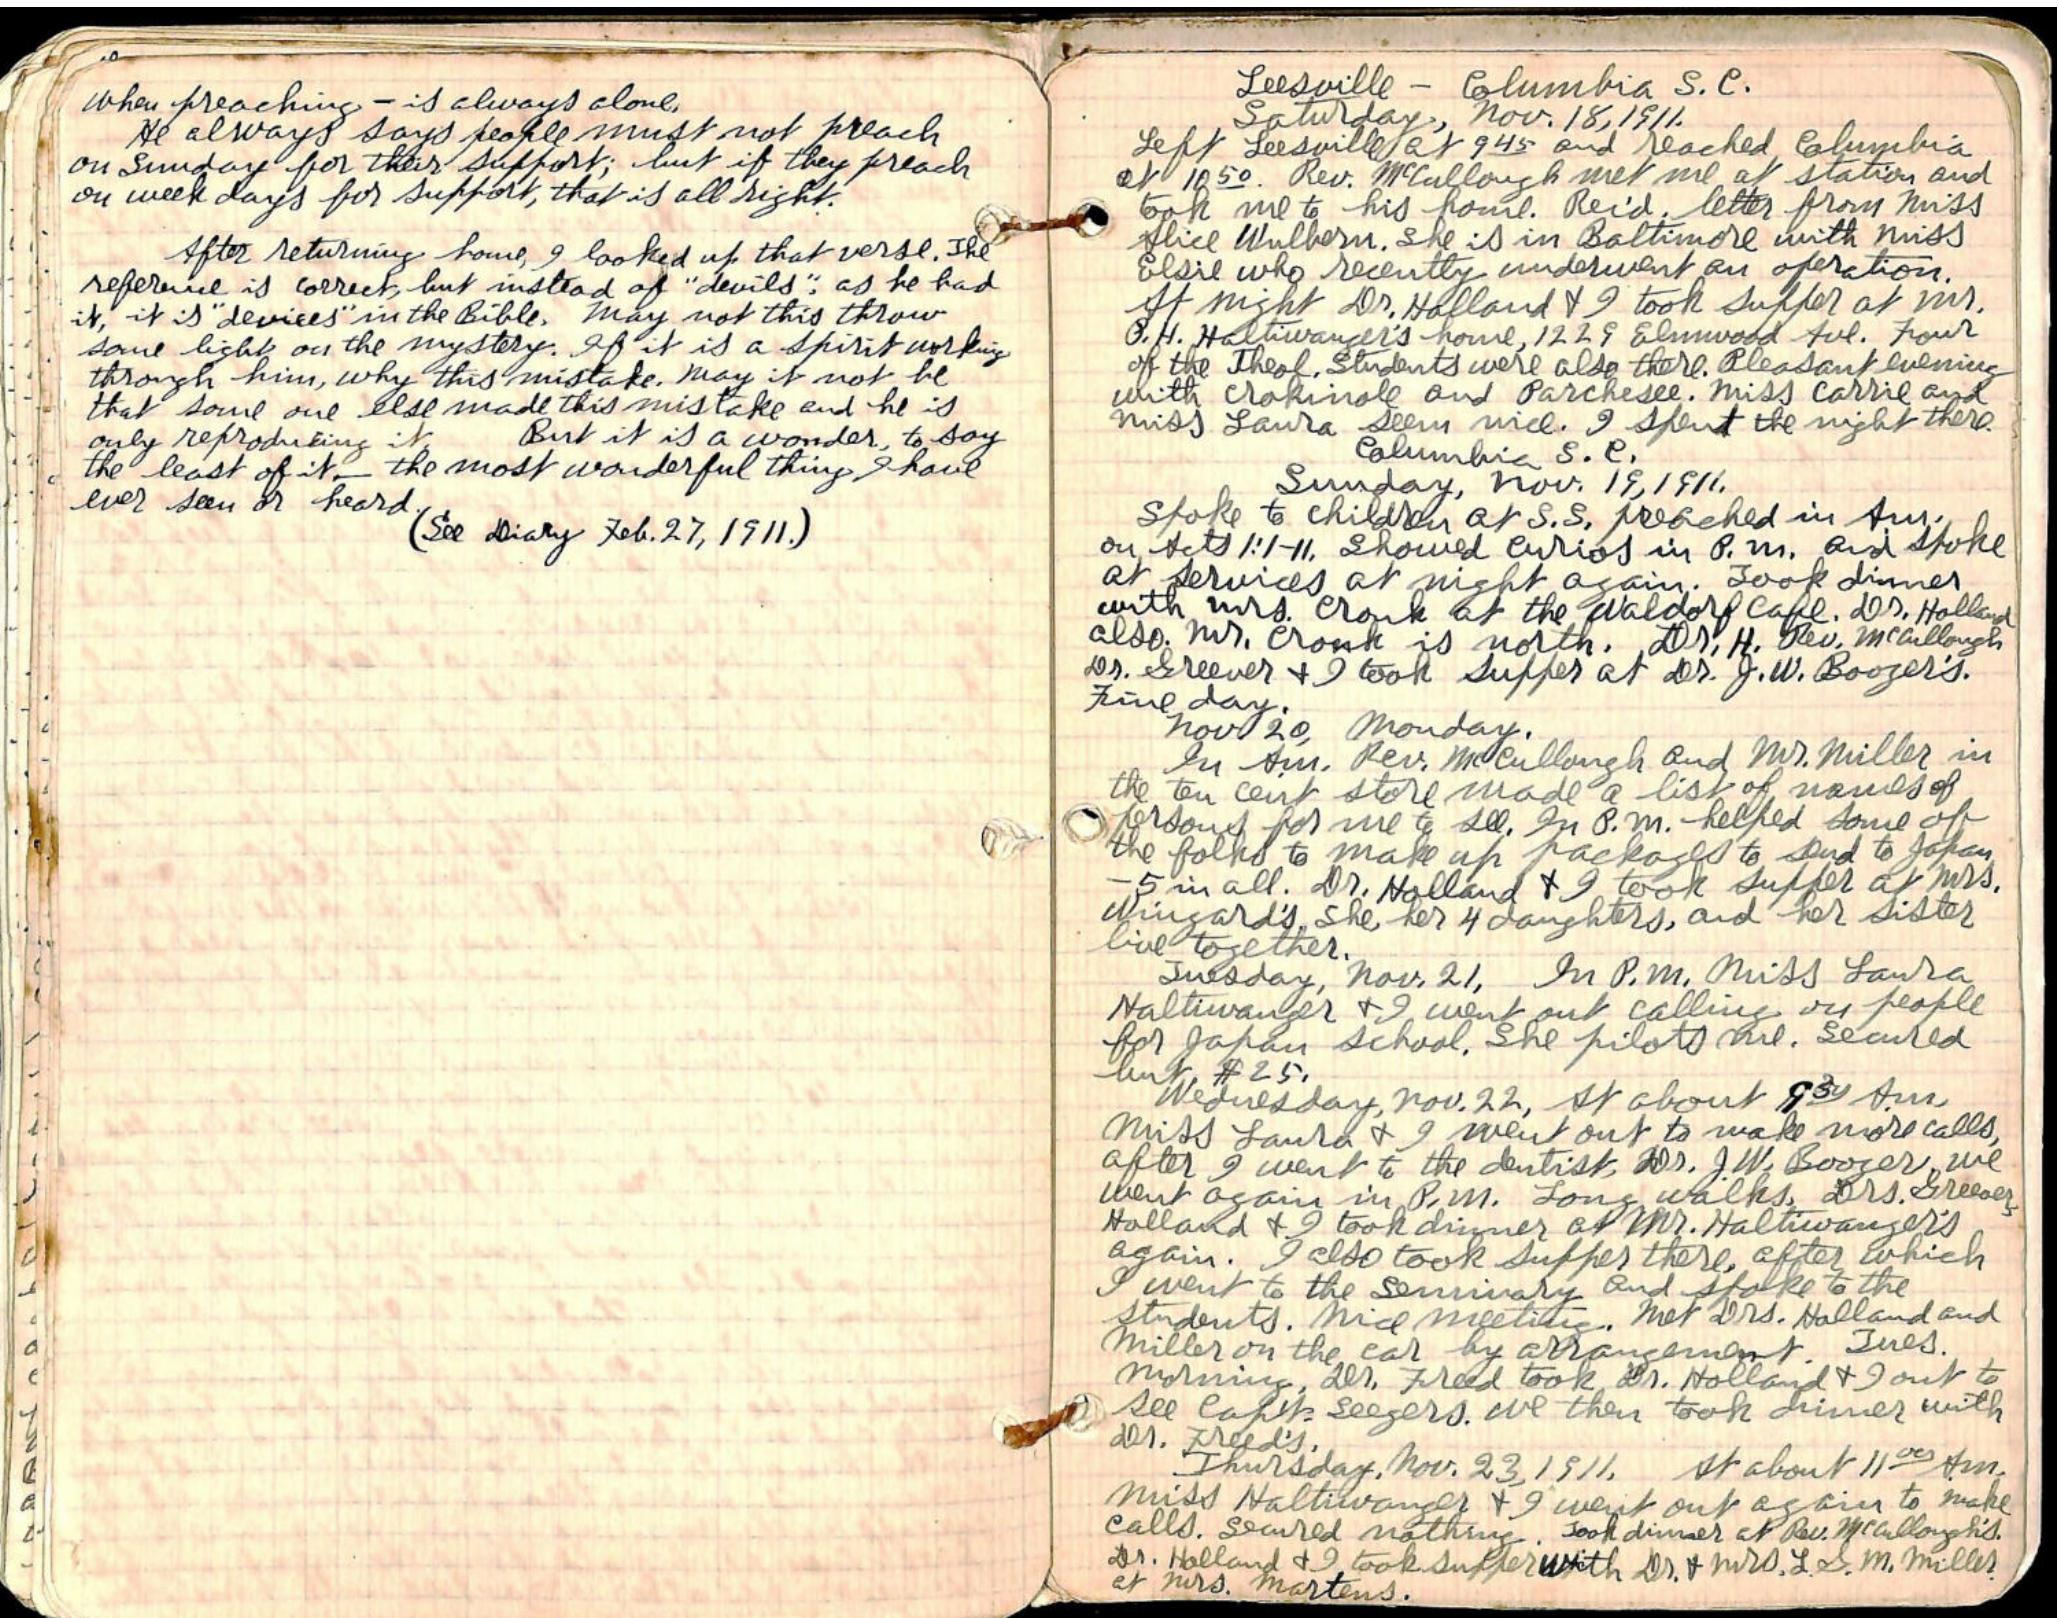

No wonder He says: "Give me your heart."
Many of you have seen bodies dead and hand
seen them buried. The heart is still there. You
may have a treasure box which contains your
treasures. At midnight, or at any time you
can lay your hands on it. You guard it and
are very careful to keep it locked, that no one
steal your treasures from you. But you sometimes
become unconcerned and do not lock it. Then
the thief comes and takes your treasures from you.
And so it is with the heart we are to keep for
God. God made this body of ours, fingers to
move, etc. And he said I will place a heart
in it. This is the treasure. God says give me
thy heart. The devil does not say so. The soul
is in the heart. We should give God the heart
because the soul is there. But how often the devil
comes and robs the treasure of the heart!

This may be bad medicine, but carry
these words talk over them, think over them, and
pray over them. This is the prayer of your servant.
Amen. (Verses 8-10 where he closed the sermon).

He then talked with the wife of the Major,
and she said she had never before heard him
preach on this text. Sometimes he preaches on
the same text once or twice a year, but it is not
the same sermon.

Every September he begins his annual
protracted meetings, and sometimes preaches
as much as 7 times one night. These protracted
meetings extend everywhere from 4 days to 4 weeks.
She can tell from his preaching that he
moves from one place to another occasionally,
but it is now about four years since he has
been moved. The moving is always in the fall.
He belongs to the Methodist church, and is a
Methodist preacher in his preaching.

During those protracted meetings, dinner is
served on the ground and he goes from table to
table and mingles with the folks and laughs
with them while eating. Sometimes he must meet
a train, and hurries through his dinner. If he
goes off on the train one night, he is sure to be
preaching at his old home the next night.
He never has other preachers with him when

Columbia S.C.

Friday, Nov. 24, 1911.

This morning waited an hour after sunrise Henry Clay Beattie Jr. is supposed to have been electrocuted for the murder of his young wife last July, near Richmond. He has refused paroles. Got up and took a good bath, and attended to several things in town. The papers say Beattie was executed about 7th A.M. He confessed his crime before he went to the chair. Dr. Holland, Fred & I took dinner at Capt. Seeger's home. It was a most excellent dinner - can't be beat. They sent a carriage in for us, and then brought us back. Did some soliciting from 5 to 6 P.M. The sum from St. Paul is now \$74.50. Come yet to Dr. Holland & I and 4 Theol. Students took supper at Mr. P.H. Haltwanger's home and spent a most pleasant evening there. Very warm this sun but cold this evening. Misses Carrie and Fannie Haltwanger are nice girls. Their 14 yr. old brother is also fine.

Columbia S.C. - Newberry S.C.

Saturday, Nov. 25, 1911.

In Am. made a few calls. Mr. P.H. Haltwanger put down \$100. This makes in all \$55.50, for St. Paul ch. At 9th went to ch. and Mrs. Cronk & I labored and catalogued the curios and packed them by 4th P.M. Left on 5th P.M. train reaching Newberry at 6th. Went to Union station but found I had to go to the other one. Am now in the home of Dr. Houseal. Dr. August Houseal. Their son August and daughter Frances are here. Robert is at University of Va., and Sarah is visiting in Charlotte N.C. Old friends. Dr. Holland & Rev. Krebs were also on the train. Did not get to call on the Habenicht's when in Columbia. Will try to do so week after next.

Newberry, S.C.

Sunday, Nov. 26, 1911.

Preached in Am. to large congregation, at 2nd P.M. to College y.m.c. at 4:30 to S. School and again at evening service. Met many old friends and made new ones. An ideal day. Schroeder, 406 Broughton E. Savannah. (406 Broughton E. A. Schroeder).

In Am. Rev. Finkenwider helped me make out a list of names. Dr. Croner then went with me

to call on a number. We have to \$2.95. Gentry what was subsd. yesterday. Our most promising men, are doing nothing. Hard times on account of cotton slump. Met with the Junior Miss. Socy at parsonage, and spoke to them in P.M. Mr. E.L. Sommerville, a baker gave me \$100. His wife \$5 and his daughter Blanche \$5. Rec'd. several letters.

Took supper and spent the evening at Dr. Croner's. Miss Carolyn seems very nice. I was up until 2nd A.M. last night writing article for "Visitor". Miss Sarah Houseal returned from Charlotte last night. It was rainy weather today. Now cooler. Sent Christmas cards to our men in Japan.

Newberry, S.C.

Very cold. Rev. Harman is pastor of Mayer and Summer Memorial chs.

Newberry, S.C.

Friday, Dec. 1, 1911.

Mrs. Dr. Croner died last night at 11th o'clock. After doing some soliciting, I called at the home of Dr. Croner's at 12th. Took another Thanksgiving dinner at Dr. Houseal's. Miss Meyers from Ohio, who is attending Newberry Coll. also was there. Miss Sarah Houseal is a fine looking girl 21 yrs. old, but rather of the society brand. Miss Meyers & I took supper at Dr. Harms. I left there at 8th P.M. and called at Mr. John A. Summers home, as I had told Miss Rosalyn I would at noon when I met her at Dr. Croner's.

was for Dec. shower of cherry blossoms. Only one, Mr. Rabb, made any offering of giving anything. He said if he gave anything at all it would be \$1.00, but he is so tied up in cotton mill stock that he had made nothing for 4 yrs. I believe he is sincere in what he said.

St. James Newton - Claremont N.C.

Monday Dec. 11, 1911.
Rev. Wissell called to see Mr. & Mrs. Smyrl in the am. but he had nothing, though he was abundantly able to give. In P.M. we drove to Claremont and then to J.H.C. Hennitt - 5 miles beyond. Spent the night there. His wife is very sick with gall stones. His sons Charlie and Garland were in college when I was. Charlie was there tonight. Mrs. H. seemed interested in the Japan work.

Claremont - Newton - Hickory

Tuesday, Dec. 12, 1911.
Rev. Wissell & I left Mr. Hennitt's at 8:45 A.M. and drove 5 miles to Mr. J.M. Grindt where we left at 12:45 P.M., reaching the portuguese at St. James at 3:00 P.M. Mr. Hennitt did nothing on Japan school now, may do something later. Mr. J.M. Grindt gave me \$25.00. He is a one legged man, the father of the late Rev. J. Allen Grindt - a fine man. Rev. Wissell took me to Newton at 4:45 P.M. The 7:45 combination train did not arrive until 9:45. Reached Hickory at 10:30. Am now in the Hotel Murphy. Called on Rev. & Mrs. Strong while in Newton. They are expecting an arrival at any time. Warm weather. I hope to find a bit of mail here at Hickory tomorrow. Had intended to reach Hickory at about 8:30 and leave at 11:30 for Tenn. tonight, but as my train was late, I will not leave before tomorrow noon. May not leave then, if certain letters contain certain news.

Hickory - Andrews N.C.

Wednesday, Dec. 13, 1911

After calling at Mr. L. Stirewalt's, and getting my mail, and spending a few minutes with them, I went back to Hotel Murphy, and did some writing. Many letters rec'd. with a little rec'd. before this morning's mail returns makes about \$2.75.00 as result of Dec. cherry blossoms shower. I think it will amount to something by the time all is in. Left Hickory at 11:30 A.M. and reached

Andrews N.C. at 10:00 at night, after waiting 40 min. in Asheville. Am now in Hotel Russell will call on Mrs. Cover tomorrow morning. Warm weather. Fine scenery in the mountains enroute here.

Andrews N.C. - Murphy N.C.

Thursday Dec. 14, 1911.

Phone Mrs. Cover at 9:15 and called a little later - 9:30. Took dinner there. Her son Sam is absent. Met his wife and daughter Frances. Her son Charles, wife, and 2 yr. old son are here and Charles seems a fine fellow. Mr. Luther Bobbitt also of Va. is here as book keeper for the Co. He is a fine young fellow. Took the women folks and 9 auto riding in P.M. Saw the town of about 1000. Threatening weather. I find Mrs. Cover a very pure lady. It is too bad that the family is thus isolated from the faith church. Decided to stay until 10:00 A.M. instead of leaving at 12:30 P.M. Reached Murphy at 10:50 (C. S.) Am now in the Regal Hotel. Train for Knoxville via L. & N. R.R. tomorrow at 10:30 A.M. Rainy evening.

Murphy N.C. - Knoxville Tenn.

Friday Dec. 15, 1911.

Left the Regal Hotel room 63, and took the L. & N. train for Blue Ridge where I changed cars and reached Knoxville at 5:35 C.S. At Blue Ridge the side walks are paved with marble. On the train, met a man by the name of J. E. Barker, Galway, Ga. who promised to send me some specimens of ore from the copper mines of Copper Hill Tenn. He works in them. After reaching Knoxville, I called up Rev. W.C. Ridenhour who called to see me at the hotel Imperial, where I am in room 27. I have decided to remain in Knoxville over Sunday. wired Rev. Fisher and M. L. Stirewalt to that effect. I think it will be better than to return to Salisbury rainy evening. Am anxious to receive some mail. wrote seven letters at night. Rev. Ridenhour will help me see Mr. L. E. Williams and Mrs. Hensler.

Knoxville Tenn. Dec. 16

Saturday Dec. 16, 1911.

At about 10:45 A.M. Rev. Ridenhour called and took me to call on Mrs. Hensler. Spent a pleasant hour with her. Took dinner with Rev. & Mrs. Ridenhour. At 2:30 Mrs. Hensler sent Rev. R. & I out to Mrs. L. E. Williams in her automobile, which is fine. Mrs. W. lives 5 miles out of town. Spent an hour

With him. He offered to give \$25. to Japan

in to services tomorrow. Am doing a bit
of writing tonight. Cloudy weather, becoming
cooler.

Knoxville Tenn.

It will cost \$65,000 and will be fine. I spent the
night with Rev. & Mrs. Ridenhour. Had a good talk with
Mrs. Martha Hensen in P.M. but did not get to reach
the climax I had hoped as others were in and out.

WEDNESDAY, Mar. 1, 1911.

Sleeping Negro Preacher.

Monday night of this week, the editor's family, accompanied by Rev. A. J. Stirewalt Missionary to Japan, Mr. J. E. B. McCartha's family, Mr. W. K. Shealy, Mr. S. P. Derrick's family, Mr. P. S. Shealy's family, accompanied by Miss Lula Lowman, all went out to hear the sleeping negro preacher, Major Perry, living 6 or 8 miles north-west of Leesville. As most of our readers know, this negro, unable to read, and no over-religious, preaches every night, immediately upon going to sleep. Yet he lines out his hymn and sings it. Offers a fervent prayer, and then announces his text, and quotes it verbatim, and preaches a sermon with much earnestness, of usual length. While in the trance(?) of preaching, no one has ever succeeded in waking him, and he knows nothing of it afterwards. He cannot quote or read a passage while awake; yet he does it accurately while in this condition. He has been at this since August 1880, and wishes with all his heart that he could quit it. He is about 67 years old and partially paralyzed on the left side. Is he a prophet, priest or devil?
